

INSURGENT STRIKE OF SWITCHMEN NEAR END

TRAFFIC ON ROADS ALMOST NORMAL

Thousands of Men Reported Back for Work Saturday in Various Parts of Country—President of Switchmen's International Union Declares Strike Ended—Reports from Various Cities Affected by Strike

Traffic on railroads affected by the outbreak strike was far nearer normal last night than since its disruption. With the railroad labor board in Washington at work on wage controversies, there came reports of vastly improved conditions with here and there a show of lingering stubbornness by strikers.

In the New York district, "insurgent" firemen and engineers voted to remain out but their absence, according to reports is not startling gains made in freight and passenger movements. A strike last night of train switchmen in Cleveland was short-lived. More than 1,000 switchmen and other yard employees in Toledo reported for work yesterday. Unless the strike in the Michigan Central yards at Detroit is called off by Monday it was announced an attempt would be made to break the tie up with former switchmen recruited from idle factory workers. The strike in the Chicago district took a new aspect with an additional demand for recognition of the Chicago Yardmen's association. Switchmen of the Florida east coast railway in the south Jacksonville yards have returned to work.

Striking yardmen in the Buffalo district agreed last night to return to work. Switchmen in the Lackawanna and Erie yards at Elmira, N. Y., were ordered back last night. All roads entering Philadelphia reported greatly improved conditions.

A. O. Wharton, international president of the railway employees' department of the American Federation of Labor, left Kansas City last night for Washington to attend meetings of the railroad labor board.

Lackawanna engineers voted in Hoboken at midnight to return to work immediately, while the striking yardmen at Buffalo terminals were voting on the same question.

New Union Seeks Recognition. Chicago, April 17.—Recognition of the Chicago Yardmen's association as the governing body of railway switchmen and yardmen was added to demands of striking railroad employees in the Chicago district today at a meeting of officers of the new outlaws union.

John Grunau, president of the association announced that it had been unanimously decided that the original demands should stand. He denied reports that it was planned to call off the strike and asserted that there had been no desertions.

While Rebel union leaders maintained that the walkout was meeting with success, Chicago railroads announced a further improvement in switching operations and from the stock yards it was reported receipts were above normal for Saturday.

Rail heads and brotherhood officers declared hundreds of men were returning to work and that a special return to normal was expected.

Brunau, one of 25 arrested by federal agents and charged with violation of the Lever act, sent a telegram to presidents of Yardmen's association locally requesting them to attend a meeting in Chicago Monday to consider plans to continue the strike. Grunau's statement declared "there shall be no discrimination against any men who have withdrawn from the service of the railroad companies and they must be restored to their former seniority rank."

Switch engines in operation in Chicago today numbered 481 more than 60 percent of normal. The railroads announced strikers had returned to work at Villa Grove, West Franklin and Salem, Ill., on the Chicago & Eastern Illinois railroad.

Report From New York. New York, April 16.—Railroad firemen and engineers on strike tonight voted not to return to work "irrespective of whatever action has been or may be taken by railway employees elsewhere, until certain conditions have been met."

A statement issued by the executive committee insisted that the men be guaranteed a wage increase sufficient to meet the increased cost of living. The walkout it was declared was the result of "economic pressure" which caused some of the men to quit as individuals and that the number became general. It was denied that there was any I. W. W. communism or other "ism" behind the movement. The men went over the heads of their brotherhood chiefs, said the statement, because it was a cause of bread and butter and shoes and stockings.

J. J. Mantell, spokesman for the railroad general Managers' association said tonight he would have nothing to say on the strike situation until after noon tomorrow. Then will expire the railroad's ultimatum that all men who have not returned to work by that time will be regarded as out of the service. The general condition of the railroads in the east was materially improved. A federal grand jury will convene Monday at Newark, N. J., to inquire into the railroad strike.

CONGRESSMAN JOINS OVERALL MOVEMENT

WASHINGTON, April 17.—Representative Upshaw, Democrat of Georgia, appeared in the house today wearing overalls. In reply to questions he said there was nothing unusual about it; that it was simply a move to strike at the high cost of clothing.

Representative Upshaw said he had been promised the co-operation of Representatives Ferris and Carpenter in organizing an overall club.

Representative Connally, Democrat of Texas, Mr. Upshaw said, would organize an old clothes club along similar lines. Wherever he went the Georgia member was an object of curiosity. Later he made a speech in the house in which he urged all members of congress to join in combatting the high cost of living.

BLOOMINGTON LABOR TRADES LOCKED OUT

BLOOMINGTON, Ill., April 17.—All union building contractors today informed members of the local crafts that they are locked out until settlement of trouble between employers and men is made. The contractors are willing to treat with union men through the individual control but refuse to transact business with the Trades Council to which body the unions have entrusted their affairs. All union carpenters, brick masons, electrical workers, plumbers, pipe fitters, etc., in the city are included in the lockout which became effective Saturday noon.

FLYER KILLED IN FALL

Champaign, Ill., April 17.—Lieutenant James Welsh, 22 years old, of Corpus Christi, Texas, was instantly killed at 4 o'clock this afternoon, when he fell 500 feet with his airplane at Chanute field, a government training station. His plane fell fifty feet outside of the field. Side-slipping caused him to lose control of his machine. He was returning to the field, after having taken Col. Fra Longenecker, field commandant, to Danville, Ill.

The body will be taken to his home for burial.

MOTION TO DISMISS SUIT OVERRULED

Washington, April 17.—The shipping board's motion to dismiss the suit of William Randolph Hearst for an injunction to prevent the sale of the 29 former German liners, was overruled today by Justice Bailey in the district supreme court.

The court sustained Mr. Hearst's right as a taxpayer to maintain the suit.

The shipping board probably will appeal.

LARGE WAREHOUSES OF FOODSTUFFS BURN

Copenhagen, April 17.—Several large foodstuffs warehouses in Harburg, six miles south of Hamburg, were burned April 15, say dispatches from that town. The loss on the contents alone is estimated at 25,000,000 marks.

STRIKE BULLETINS

TOLEDO, O., April 17.—Railroad yardmen went back to work today. More than 1,000 switchmen and other yard employees who had been off duty 10 days reported for work and were given their old runs. Paralysis of freight terminals was relieved.

BUFFALO, N. Y., April 17.—An agreement providing for immediate return to work of the striking yardmen in this district was accepted by committees representing the railroads and the old and new unions of yard employees. The agreement is subject to ratification by a vote of strikers.

PHILADELPHIA, April 17.—Conditions on railroads here were greatly improved tonight following action of the strikers in voting last night to return to work at once on assurance their seniority rights would be preserved and that there would be no discrimination.

PITTSBURGH, Pa., April 17.—Railroad managers and brotherhood leaders reiterated tonight that the yardmen's strike was gradually "going to pieces" and men were returning to work. Passenger traffic showed improvement and there was some improvement in freight movement.

CLEVELAND, O., April 17.—F. J. O'Rourke, president of the Cleveland Yardmen's Association on learning tonight of the strike of passenger train switchmen at the Union Station ordered the men to return to work immediately.

DETROIT, Mich., April 17.—An attempt to break the tieup of the local Michigan Central yards with former switchmen recruited from the ranks of idle factory employees will be made Monday unless the strike has been called off by that time.

NEW YORK, April 17.—Engineers of the Lackawanna Railroad who had joined the "outlaw strike" of switchmen, firemen and yardmen, voted late tonight to return to work immediately. Other locals hurriedly called meetings to vote on giving up the fight and to take advantage of the provisions of the railroad managers' ultimatum which expires Sunday noon.

JACKSON, Mich., April 17.—Striking Michigan Central Yardmen voted tonight to leave the question of returning to work as individuals but not to return to work as a body. Yard engineers and firemen notified Michigan Central officials that they would be ready to return to work Monday.

CHICAGO, April 17.—Strike leaders arrested and subsequently released for a hearing must not participate in furthering the strike movement, District Attorney Clynne said tonight. Secret service agents who attended meetings of the strikers today reported strike heads had taken part in the gatherings. "If these men want a fight they can have it," he said. "If they think we are pussyfooting they have another guess coming."

COLLEGE STUDENTS MAN ELEVATORS

NEW YORK, April 17.—Hundreds of college students who turned out to move freight and passengers when railroad insurgents went on strike, late today volunteered as strike breakers in the walkout of elevator operators here. Announcement was made from New York university today that 45 collegians would report for work at the Equitable Building today, if the strike is not settled. Athletes were given preference.

EMPLOYERS AND UNION OFFICIALS DIFFERED TODAY AS TO THE NUMBER OF OPERATORS, MEN AND WOMEN, WHO HAD WALKED OUT.

ARE CHARGED WITH UNFAIR COMPETITION

Washington, April 17.—Charged with attempting to monopolize the growing and sale of Hawaiian pineapples, Swift & Co., Chicago; Libby, McNeill & Libby of Chicago; and Libby, McNeill & Libby of Honolulu were cited today by the federal trade commission to answer complaints of unfair competition and of acquiring competitors' stock contrary to provisions of the Clayton act.

ENGLISH PUBLISHER WILL QUOTE PAPER MILLS

Ottawa, April 17.—English publishers have been so inconvenienced by the shortage of newsprint paper that a syndicate of them is prepared to spend \$400,000 in Canada to insure an adequate and continuous supply, according to G. R. Hall, son of the English novelist, Mr. Caine, who is in Canada representing the syndicate, says he proposes to buy 1,000 square miles of timber and erect mills.

ILLINOIS COLLEGE FUND MORE THAN HALF SUBSCRIBED

City Has Given Over \$50,000 Toward the Sum Needed

CAMPAIGN HAS NOT BEEN CLOSED

ILLINOIS COLLEGE CAMPAIGN
Morgan Co. goal... \$100,000.00
Subscriptions Saturday 5,138.00
Previously announced 44,863.50

Team Reports.		Total
City	Saturday	
R. Y. Rowe	\$ 528	\$ 5,123.00
H. M. Capps	1,399	8,794.00
E. H. Gray	360	4,662.00
H. King	35	7,012.00
J. W. Walton	627	6,853.00
M. L. Pontius	1,004	5,858.00
E. S. Doane	295	5,090.00
R. L. Dunlap	690	5,184.50
County		
C. E. Robinson	200	1,125.00
		\$5,138 \$50,001.50

The Illinois college campaign fund passed the \$50,000 mark yesterday when the reports were read at the noon day luncheon at the M. E. building. When the eight teams reported there was a shortage of a few dollars and by the suggestion of F. E. Farrell the men of H. M. Capps' team quickly contributed to a cash fund which put the total beyond the \$50,000 mark. As the statements made from time to time have indicated, the campaign is not over. In fact, it has not really been begun in the county outside of Jacksonville.

People Generous in Spirit. Dr. C. H. Rammekamp, director; Dr. Thomas Smith, assistant; and the trustees of the college who have been active in directing the campaign have been greatly pleased with both the generosity and the interest shown by the people generally. Practically all of the persons solicited have given manifestation of their good will and an understanding that a drive for college funds is a necessary thing. The work of canvassing was not completed at noon Saturday and lists were placed in the hands of the team members showing the names of a goodly number of people who had not been interviewed.

In some cases this failure to see possible contributors has been thru error and in other instances absence of the persons mentioned has caused the omission. It was decided that the different teams would "clean up" all the cards in their allotments by Monday morning at 10 o'clock and make report to the team captain or to Miss Nesmith, assistant secretary of the campaign committee at the Y. M. C. C. rooms. There was some discussion as to the advisability of having a luncheon at noon Monday and receiving the last general reports but it was decided that the other method would be preferable.

Several team members spoke briefly including Thomas Worthington, M. E. Dunlap, L. O. Vaught and John J. Reeve. City and County Interests Mutual.

In his remarks Mr. Reeve voiced the belief that the campaign in the county precincts will reveal that there are many there just as ready and willing to assist in campaign work as has been true in Jacksonville. He cited the several war time campaigns in proof of his assertion of county interest in forward movements. Mr. Reeve said he hoped to see the day—and that it is coming—when the division line of community interests is identical with the county boundary on all sides. Certain it is the city and the country have in these recent years come into a new knowledge of their common interests.

Dr. Rammekamp on behalf of the trustees expressed appreciation to the women of State Street church for their excellent luncheon service and to the members of teams, both men and women, who have devoted a great deal of time to the campaign work during the week. Dr. Thomas Smith pronounced a benediction before the company dispersed.

Additional Subscriptions.

The following additional subscriptions were reported Saturday for the Illinois College Campaign fund:
John M. Allison, F. J. Andrews, Sr., Caldwell Engineering Co., Miss Marian Candee, Miss Mary E. Case, William H. Cocking, Arthur G. Cody, Dr. Charles E. Cole, Mrs. Elizabeth Cole, P. V. Coover, E. E. Crabtree, Mrs. Esther W. Davis, George Dewees and wife, J. Parker Doan, H. W. Howarth, John M. Doyle, Dr. William Duncan, William L. Fay and wife, John Frank, Friend, Charles P. Gillett, Mrs. Catherine Goebel, George F. Goebel, Mrs. E. S. Greenleaf, Mrs. Lottie Greenleaf, Miss Martha Greenleaf, M. E. Greenleaf, Cass W. Hamm, Mrs. Catherine Harmon, Wallace T. Henbrough, Dr. Charles Hopper, Philip H. Hopper, W. J. Houston, Jacksonville Rug Mfg. Co., Chester P. Joy,

Condensed Telegraphic News

(By The Associated Press)

MARQUETTE, Mich., April 17.—Motion for continuance of the case against the Sealed brothers, Iron river packing house owners, who today pleaded not guilty to a charge of illegally possessing liquor, was denied by Federal Judge Clarence Sessions, who set Tuesday for their trial.

ROCKAWAY, N. Y., April 17.—The S-16, one of the free balloons which left today at 1:25 p. m. in a 24-hour long distance and endurance test, landed at 3 p. m. at Hightstown, N. J., according to word received at the Rockaway air station.

EL PASO, Texas, April 17.—El Paso judges will wear overalls while dispensing justice, it was announced today. An overall club was formed at the county court house, where all attaches signed up.

LONDON, April 17.—The Sunday Times says it is informed Lord French has resigned as lord lieutenant of Ireland. "This," it says, "disposes of rumors which have been current."

VLADIVOSTOK, April 17.—The provisional government here refuses to conduct negotiations with the Japanese until the protest issued April 6, demanding an apology from the Japanese, is answered. This situation developed when Japanese asked the provisional government to order Russian railway men to return to work. Newspapers print bitter attacks on the allies because of their failure to protest against Japanese actions in Siberia.

DANVILLE, Ky., April 17.—While a mob of 400 was outside the court house tonight demanding admission, Lucien Jenkins, negro, held in connection with the kidnaping last night of seven-year-old Willie Trimble, was spirited away for safe keeping.

BLIND PUPILS TO GIVE CONCERT

Program Announced for Annual Spring Musical Event Which Will Occur Monday Night.

The annual concert of the pupils of the Illinois School for the Blind will be held Monday evening at 8 o'clock in the chapel at the school. The public is cordially invited to be present. Mrs. Helen McDougal James is the director of the department. The program will be as follows:

Part I.
Orchestra—(a) Rondo D'Amour, Westermout; (b) Wedding Day at Troldhaugen, Grieg.

Piano—(a) Liebestraume in A Flat; (b) Valse in E Minor, Chopin; Celia Atkinson.

Vocal Duet—Passage Bird's Farewell, Hildach—Mary Ford, Fernando Oldham.

Organ—Postlude in F. Th. Stern—Edna Atkinson.

Piano—Prelude in F Sharp, Minor, Chopin—Harold Wright. Intermission.

Part II.
Junior Chorus—(a) The Brooklet, Graben-Hoffman; (b) Barcarolle, Offenbach; (c) In Spain, Di Chiara.

Violin—(a) Adoration, Borowski; (b) Faust Waltz, Gounod; (c) Nocturne, Chopin.

Piano—Rigoletto, Liszt—Ethel Van Meter.

Voice—Vissi D'Arte Vissi D'Amore (Love and Music, These Have I Lived For), Puccini—Genevieve Pastuszak.

Piano—Concert-Étude, MacDowell—Claude Rynders.

Senior Chorus—(a) Oad Tragon, Grieg; (b) Good Night, Gounod; (c) Night of the Vikings, Panini. Public invited.

IN MEMORY TO THEO. VAIL

New York, April 17.—A one minute suspension of service by 12 million telephones and 24 million miles of leased wires at 11 a. m. Eastern Standard time tomorrow will be the tribute of American Telephone and Telegraph company of the memory of the chairman of its board of directors, Theodore N. Vail, while he is being buried at Parsippany, N. J.

WERE "ONLY PLAYING"

Lancaster, O., April 17.—That they were "only playing" was the defense given by Darrel Pool, aged 11 and Kenneth Baker, 11, when they were arraigned in juvenile court today charged with attempting to burn Charles Kneller, aged 10, a newsboy, at the stake early this week. They said they thought the Kneller boy would be able to stamp out the flames.

WASHINGTON, April 17.—Laat Pasha and Djemal Pasha, co-conspirators with Mustapha Kemal in the Turkish nationalist movement and fugitives for many months, have turned up in Munich and have been in conference with German communists and emissaries of Lenin, according to official advices today.

WASHINGTON, April 17.—Government purchase of Liberty bonds in the open market, except thru operation of the sinking fund, will stop July 1. Secretary Houston announced tonight. A "beneficial effect" on the bond market was expected to result, he said. Other officials said the market had begun to right itself and that bond quotations might be expected to trend upward.

SAN REMO, Italy, April 17.—Whether the United States would be represented at the conference the allied nations called to meet in San Remo was a question which had not been answered here, as the chief representatives of the powers gathered today for the sessions which are to begin Monday.

CHICAGO, April 17.—Officers of the Chicago Express Clerks and Freight Handlers' union, an outlaw organization which has been on strike since March 6, were booked tonight on charges of conspiracy, preferred by States Attorney Hoyne.

GUATEMALA CITY, April 17.—President Esthada Cabrera capitulated to the revolutionary forces of Carlos Herrera last night, after the latter had enveloped his stronghold at La Palma. The president agreed to surrender today, the revolutionaries guaranteeing his personal safety and also retention of all property legally obtained by him.

COLLEGE HEADS MET FOR CONFERENCE

Presidents of Denominational Colleges Agreed to Changes Which Raise Standards—Effective Next Year.

A conference of the presidents of denominational colleges of the state was held at the University of Illinois this week, at the call of acting President Kinley. Twenty-four or twenty-five college presidents were in attendance. It is a matter of record that fourteen years ago when the first conference of this kind was called that there was not much unity of action among the colleges. Now it is entirely different, and the educators are working together toward common ends and seeking to bring about development of policies and conditions that are mutually helpful.

The principal subject before the conference was the matter of revising certain college standards which were adopted fourteen years ago. The presidents recommended that a standard college must have an endowment of not less than \$25,000, that the value of a plant of a standard college must be at least \$250,000, that there must be a library of at least 10,000 volumes and an annual expenditure of not less than \$1000 for new books and equipment; that laboratory conditions as provided must stand, with the addition that there must be spent each year not less than \$100,000 for equipment.

These new rules in accordance with the recommendation of the presidents, will not become effective until 1921. Illinois Woman's college is already complying with all the requirements.

SPRINGFIELD WOMAN 108 YEARS OF AGE

SPRINGFIELD, Ill., April 17.—Regretting that she had to celebrate another birthday, Mrs. Mary Antoinette Smith is ready for the observance of the 108th anniversary of her birth tomorrow. This will be her last birthday, she hopes and she declares "God has forgotten I'm here."

Mrs. Smith was born on the island of Madeira in 1812. She is the oldest member of what is probably the oldest family in the United States. Five members of the Alves family range from 80 to 108 years. The youngest member, 80 years, is John Alves of Salt Lake City. Others are Manuel Alves, aged 96, a farmer living near Jacksonville, Ill.; Mrs. J. Figueroa, aged 87 of Brooklyn, N. Y., and J. J. Alves, aged 83 of Farmingdale, Ill.

Mrs. Alves has a number of nephews and grand nephews resident in Jacksonville and the family is one of the oldest in Morgan county.

STEPS TAKEN TO END KANSAS MINERS' STRIKE

PITTSBURGH, Pa., April 17.—Further steps towards ending the strike of the Kansas coal miners were taken today when Judge A. J. Curran extended the temporary restraining order requiring Alexander Howat, president of District 14, to order the miners back to work by April 27, or show why this part of the order should not be obeyed. The motion for the supplemental order charged that the strikers had quit work simultaneously and that the movement is directed against the Kansas industrial court law and to violating that law by causing a certain amount in coal production.

DAVISON URGES U. S. TO AID WAR STRICKEN NATIONS OF EUROPE

Head of American Red Cross Declares America Cannot Pass up Situation

NEW YORK, April 17.—If the people of the United States they would ask the government to provide at once all that the war stricken nations need to "save them and start them on their way to recovery," Henry P. Davison, chairman of the board of governors of the league or Red Cross societies declared at a dinner in his honor tonight.

General Pershing was included in the speakers.

Mr. Davison, who has just returned from Europe declared the only conditions on which the United States should be asked to aid Europe are those which best would insure successful relief of "quite irrespective of any obligation" and irrespective of "our own problem at home."

"We are going to find out we can no more escape the influence of the European situation than we were able to escape the war itself," he said. "You cannot have one half the world starving and the other half eating. We must help Europe or participate in Europe's misery."

Referring to the present attitude of Europe and towards America, Mr. Davison said:

"They say we entered the war more than two and one half years after it began, we entered not upon their demand request or invitation. They recognize and with deep gratitude, the fact that it was the great resources of the American which resulted in the turning of the tide. Then what happened? Did we say to them we were gratified if we had contributed to the final victory of the allies, that we were going to take our men and go home, that we did not wish to become involved in European politics and would therefore, sue for a separate peace with Germany? Now we had fought to make the world safe for democracy and now that the war is won we propose to see that the peace would be of a character which would insure its permanence."

THREE SUITS FILED IN CIRCUIT COURT

Arthur Swain Brings Action Against C. & A. on Account Stock Shipment—Mrs. Carpenter Sues for Divorce.

Three new suits were filed Saturday in the office of Circuit Clerk C. W. Boston for hearing at the May term of the circuit court. Mrs. Mattie Carpenter, thru her attorneys Thompson & Thompson, is seeking a divorce from her husband, Deamer Carpenter. They were married in January, 1900, and lived together less than a year.

Arthur Swain has brought a damage suit against Walker D. Hines and the Chicago & Alton railroad. Mr. Swain is represented by W. N. Haigrove and damages are placed at \$1,500. The suit was occasioned by a delay in a shipment of a car of cattle to the Chicago market. It is alleged that they were delayed so long in transit that serious loss accrued to the shipper.

Leon Overly has brought a partition suit directed against Lucy McKerral et al. The purpose is to bring about a division of property described as lots 16 and 17 in Yates & Mathers' addition.

ELECTION IN SCHOOL DISTRICT NO. 64

Harry Clark Elected Trustee—Proposition to Erect New School Building Defeated.

Harry Clark was elected director in School District No. 64 at an election held Saturday. This district embraces the village of South Jacksonville. Mr. Clark received 195 votes.

Thirty votes were cast for John Godfrey. He is the retiring member of the board and made no campaign for reelection. Dr. R. J. Jones of Woodson was elected non-high school trustee without opposition.

The voters of the district also voted on the proposition to build a new school building. This proposition was defeated by a vote of 122 against and 14 for.

PLAN WATER CARNIVAL

Chicago, April 17.—Plans for a water carnival to be held in Chicago next July were made today at a meeting of the recently organized state Athletic Commission of the American Legion. Legion members thruout the state will compete in the event, which will be in charge of Percy McGilivray.

VOTE TO INCREASE TAXES

Freeport, Ill., April 17.—A proposal to increase both the educational and building taxes to the limit allowed by state law carried by a majority of 1,447 at a school election. The additional revenue will be used to increase salaries of teachers and for a new high school building.

ONE KILLED, 45 INJURED IN TRAIN WRECK

Paris, April 17.—One person was killed and 45 others injured, twelve seriously when the Paris-Cherbourg express left the rails near Vernouillet today. Some of the cars were telescoped.

SEVERAL CITIES REPORTED TAKEN BY SONORA TROOPS

Thousands Joining in Movement Against Carranza

SENATE TAKES UP SITUATION

NOGALES, Sonora, April 17.—(By The Associated Press.)—General Angel Flores, with five thousand Sonora troops, captured Culiacan, capital of Sinaloa today, according to official announcement from Sonora military headquarters at Hermosillo.

The troops proceeded immediately toward Mazatlan, important port on the Sinaloa coast. After occupying Mazatlan it was announced they will march on the state of Nayarit. Large numbers of troops for the revolutionary movement against the Carranza government were expected to be sustained there.

Hundreds of former Carranza soldiers have joined General Flores, it was said. The Sonora forces when they entered Sinaloa Tuesday were said to number less than 2,500 men.

Five hundred troops were sent from here today under Colonel Jesus Aguirre to reinforce the garrison at Agua Prieta and other troops concentrating there against any invasion by Carranza forces. Telegrams from Hermosillo said information had been received there from Mexico City that General Gonzalez, a candidate for the presidency, had inaugurated a movement to remove Carranza and put in his place a provisional president who would guarantee fair elections in July.

Leaders here said that if Carranza were removed the Sonora movement would cease immediately.

Discussion in Senate

Washington, April 17.—Application of Mexican medical army officers for permission to move forces thru American territory to attack Sonora on the north created sharp discussion in the senate and before the committee investigating Mexican affairs. Meanwhile the request had been referred by the state department to the war department as it was not an official diplomatic communication. No action had been taken tonight. On the senate floor Ashurst and Smith of Arizona opposed any suggestion that the request be granted. Senator Ashurst asserted Arizona should oppose any such movement by a force, if necessary should the federal government not grant the state protection. Discussion was halted when Senator Knox, Republican, announced he had information that the request had been refused.

Who later he said his information was not official. Before the investigating committee Henry Lane Wilson, former ambassador to Mexico continuing his arraignment of President Wilson's Mexican policy, predicted that the Mexican forces would be permitted to pass American territory to attack Sonora.

Troop Movement Protested.

Phoenix, Ariz., April 17.—Governor Campbell of Arizona today protested to the state department against extending the "troop movement privilege to the Carranza government and the consequent violation of the rights of the sovereign state of Arizona, to the end that the lives and property of our own people and those friendly to us may not be jeopardized."

BANK CLEARINGS

New York, April 17.—The actual condition of clearing house banks and trust companies for the week shows that they held \$23,684,590 reserve in excess of legal requirements. This is an increase of \$11,907,490 from last week.

MCKINLEY RE-ELECTED

Washington, April 17.—Representative W. C. Mackin of Illinois was re-elected president of the American Group of the International union at a meeting today.

FREE ADVERTISING.

Perhaps that suit that Nevada is bringing to set aside Mary Pickford's marriage to Douglas Fairbank is press agent stuff. At any rate, the film stars are making the front pages of the city papers and that in big type.

Without much noise, a budget measure is being quietly crowded to passage at this session of congress. The budget will be a law in all likelihood before many weeks, and a long step will have been taken in the direction of badly needed financial reform in government affairs.

OVERALL PRICES.

No wonder the Springfield federation of labor has entered a protest against the formation of overall clubs. The unprecedented demand will shoot overall prices up and the workmen who really need them will pay the penalty. A pair of overalls is just as expensive as any other garment if you pay a price in excess of its real value.

THE NEEDED ARMY.

Senator Wadsworth objects seriously to any army re-organization which will reduce the standing army's strength below 280,000 soldiers. Setting aside the question of what future needs of military strength may be, certainly a consideration of present day conditions thruout

the country does not indicate this is a time to put away all war equipment.

The very existence of a strong standing army will have a salutary influence on "the enemies at home." There are sinister influences at work in this country that only a show of military strength will keep in check.

THE MAN WITH A HEART.

It is written of the Democratic state leader recently deceased, that he never forgot a friend or broke a pledge. There is little more in tribute that could be crowded into a few words. The man who keeps his pledges is entitled to due credit.

But there are men who think that is record enough and so give little evidence of deep friendships or even fail friends in times of stress. It's a fine thing to walk uprightly "to keep one's pledges," but give us the man who does these things and has a heart as well.

THAT BIG VOTE

Perhaps it was because the people had heard about the compulsory voting proposal that made so many Jacksonville men and women take part in the school board election Saturday. Whatever the cause, it augurs well for school affairs, when the parents of children and the friends of the teachers show their interest in a public way.

PAGE TWO—

DO YOU WANT THE LIGHT AND FILTRATION PLANTS.

There is no known opposition to the four alderman candidates who will seek election next Tuesday. Nevertheless, in recognition of service performed, they are entitled to a decent vote. Then there is always a chance that if the proper interest is not shown that the names of less experienced persons may be written on the ballots.

The \$30,000 bond proposal is also to be considered at this Tuesday election. This means that the council is asking for the fund that will come from such a bond issue and thus make it possible to complete the filtration and power plants. Without this bond money in addition to all current funds available, the two

plants cannot be completed this year.

A plain statement of the facts is made by the city council in another column. Read the statement and if you do not understand the situation ask the mayor or any one of the aldermen. But whatever else you do, keep in mind that voting is a duty of citizenship. Go to the polls Tuesday and make a record of your views.

A SUCCESSFUL CAMPAIGN

City week in the Illinois college drive for funds practically came to a close Saturday, with something more than \$50,000 subscribed toward the \$100,000 fund. Some additional subscriptions were made during the day, which were not included in the \$50,000 announced at noon, and the quest for pledges will continue in a quiet way.

The officers and trustees of the college have made it known that the record of subscriptions to this time has been well up to their expectations. It is expected that as soon as weather conditions permit that the campaign work in the country precincts will be pushed. Those interested in the movement have reason to feel that the goal will be reached and that the sum total from Jacksonville and the county will be \$100,000.

THE SCHOOL

BOARD ELECTION

In the school election Saturday, a very heavy vote was cast. Julian P. Lippincott was re-elected president, Thomas V. Hopper was re-elected a member and H. L. Caldwell and Charles Fiedler were chosen as new members. All these men are citizens of high standing, entirely competent for the important work of the school board. Since Mr. Lippincott's name had to be written upon the ballot, his selection by a large vote is indeed a compliment.

Mrs. Mary E. Pierson, who has served efficiently for a period of years as a member and secretary of the board, was handicapped by the fact that her name was not printed upon the ballot. The large vote cast for Mrs. Pierson, especially in her home ward, is indicative of the esteem in which she is held.

The school board at all times has important work to consider and just now, as in the management of other affairs, the problems are more complex than ever. However, the people have in the past felt entire confidence in the board, and that feeling will continue as related to old and new membership.

Rippling Rhymes
By Valt Mason

SUFFERING GERMANY

The Huns are shot to pieces, the telegram declare; things are not as slick as grease is—disorder everywhere; the peasant and patrician are both in sad condition; they're eating ammunition, there is no grub to spare. No useful wheels are turning, the

church bells do not ring; no smithy fires are burning, no workmen's hammers ring; but gloom is all prevailing, and wrath and bitter wailing; men are so busy railing they do not smile and sing. I ought to view with sorrow the troubles of the Hun, and say I hope tomorrow will see his anguish done; and yet I see him sweating without a great regretting; he earned what he is getting; earned trouble by the ton. Had he but shown repentance for any crimes of his, had he received his sentence with a remorseful phiz, I might compose a ditty of condolence and pity, more generous than twitty, but as things are—Gee whiz! The Hun has been so sassy, so nifty and so smart, he thinks himself so classy, and greater-than-thou-art, that it is hard to view him with sympathy, beshrew him! so let his woes pursue him until his change of heart.

Spring neckwear—newest shades. KNOLES CLOTHING STORE.

With the Sick

Mrs. Harry McCarty returned to her home in Winchester from Passavant hospital yesterday.

Emmett Barton returned to his home, 634 North Main street, from Passavant hospital, Saturday.

The brilliant comedy that captivated New York

"THE WALK-OFFS"

He wanted a wife who could sew and dust and cook. But she was of another world of fashionable women. She had never raised a hand to do a thing. He vowed he would make her love him and do as he bade. See this tense romantic struggle in "The Walk-Offs."

WEDNESDAY

EDITH ROBERTS

"HER FIVE FOOT HIGHNESS"

In the beginning she appears as a boisterous ranch girl, who wears chaps and shoots craps with the cowboys. Later she goes to England to claim her inheritance, when she appears as a more demure miss, invading the baronial halls of her ancestors like a timid "Peg O' My Heart."

THURSDAY

ELSIE JANIS

"THE IMP"

She had friends, wealth and position—and a mania for crime. A society belle by day and a thief by night. The story of a girl with a double personality—A female "Jekyll and Mr. Hyde."

WALK-OFFSThe Comedy that Captured New York
STARRING BEAUTIFUL

MAY ALLISON

as the Brilliant Society Butterfly who
found love and romance when she
thought her soul was dead

WHAT IS A WALK-OFF?

A "walk-off" is a name applied in the play to a brainless society parasite, a penniless and useless species of mankind who sponges the means of his existence—clothes, lunches, dinners, and pleasure—off of some equally brainless member of his set, more fortunate financially.

Bob, the Kentuckian's colored man-servant, tells the old darky legend of Adam and Eve in the Garden. Eve, according to the story, got very tired of Adam and asked him if he'd get God to make some more people to amuse her. To this God agreed and going to the clay-pile fashioned a number of new people. But, according to Bob's story, God was called away before He could put the brains in the new creatures. He leaned them up against the fence to dry and when they had, "they jes' walk off, dassal, no brains, suh."

The fashionable atmosphere of high social life in New York City has been lavishly reproduced in "The Walk-Offs." It is a romantic love story with the beautiful May Allison in the role of Kathleen Rutherford, a young society woman without money, a "walk-off" who has been bred to the shallow standards of society which the man who loves her, a wealthy, young, red-blooded Kentuckian detests. The baubles of society are treated in a most satirical vein, but against this bizarre background stands out in strong contrast the passionate love of the chivalrous Kentuckian. In its story there is intensely absorbing and human interest.

Miss Lela Coultas of Winchester was a traveler to the county seat yesterday.

Ivan Cox of Orleans made the city a call yesterday.

HOW TO RAISE BABY CHICKS

Put Avicol in the drinking water.

Most people lose half of every hatch, and seem to expect it. Chick cholera or white diarrhoea is the trouble. The U. S. Government states that over half the chicks hatched die from this cause.

An Avicol tablet placed in the drinking water, will positively save your little chicks from all such diseases. Inside of 48 hours the sick ones will be as lively as crickets. Avicol keeps them healthy and makes them grow and develop.

Mrs. Vannie Tankers, R. F. D. 2, St. Paris, O., writes: "I had 90 chicks and they all died but 32. Then I commenced on Avicol and haven't lost any since. They have grown wonderfully."

It costs nothing to try Avicol. If you don't find that it prevents and promptly cures white diarrhoea, chick cholera, and all bowel diseases of poultry, tell us and your money will be refunded by return mail. Avicol is sold by most druggists and poultry remedy dealers; or you can send 25c or 50c today for a package by mail postpaid. Burrell-Dugger Co., 698 Columbia Bldg., Indianapolis, Ind.

AVICOL
stops chicks dying

Plenty of Trousers

—Last week we took for our text, "Plenty of Coats, but no Trousers", and explained to you just how that condition came about.

—This week we will give you a little talk on "Plenty of Trousers".

—The secret is just this—with each suit order an extra pair.

—You say, "Why it costs more!"

—Now, just a minute—does it?

—We say, No! Because the longer and full wear-value obtained from the coat and vest, much more than compensates for the first small added cost. Stop and recall how many coats and vests are discarded, while yet good, just for lack of trousers to match and you quickly will get the idea.

—Every one of our tailored-to-measure coats and vests will outwear two pairs of trousers. Buying in this way is true economy, the economy we are all called upon to practice these days.

—Come in and inspect the new Spring woollens and find out just how reasonably we will fashion for you a two-trouser suit.

SUTHERLAND THROWS HIS HAT INTO RING

WASHINGTON, April 16.—Senator Howard Sutherland, of West Virginia, tonight announced his candidacy for the Republican presidential nomination.

"If the voters of West Virginia shall express their preference for me in the primary," his statement said, "and thus instruct the delegates from the state, I shall expect and will assume that the delegates thus selected will make an honest effort to secure my nomination."

"If my nomination shall be found to be impracticable, they will be absolutely free to vote for the candidate most likely to meet all the conditions and insure success at the polls. I want to see the most available man nominated."

"As to platform, I am in favor of the convention framing it. I favor strongly the appointment of a cabinet which shall be composed of the ablest men to be found in the party, who shall serve as a board of directors, rather than as a board of clerks. I am as opposed to a ruthless militaristic brand of politics as I am to a militaristic form of government."

The Yojasovi Camp Fire plays "The Burglar" and "Cranford" auditorium at School for Deaf Tuesday 8 p. m. Tickets 50c.

RAISE MONEY FOR PASSAVANT HOSPITAL

Mrs. Edward W. Brown, chairman of the Laundry Fund for Passavant Hospital received word Saturday from Mrs. W. D. Gibbs of Winchester, that the committee in Winchester had given a dance last Thursday evening at which the sum of \$175 was cleared for the Laundry Fund.

It is gratifying to the committee which has charge of the Laundry fund to see the interest which the surrounding towns are taking in the Laundry.

CUT PRICES ON COATS AND SUITS THIS WEEK AT HERMAN'S.

WAR DEPARTMENT SEEKS ADDRESS

The Home Service Section of the American Red Cross has been asked to locate a woman named Cora Hill Hall. Her address is given as Jacksonville, Ill. An allotment check No. 20116331, which was mailed to her by the Bureau of War Risk Insurance, has been returned unclaimed and they are holding the check until she is located. It will be appreciated if any one having knowledge of such a person will report to Red Cross Headquarters, Public Library, Illinois Phone 1598, Bell 116.

HIGH SCHOOL PLAY.

The Senior play of the High School is rapidly nearing perfection and will be a treat in the way of amateur theatricals. The cast is practicing under the direction of Torrey McKinney, formerly instructor in the department of Dramatics at the University of Utah. The play will be given April 30 and May 1.

GILL GIVE MINSTREL SHOW

Members of the Baptist Young People's Union are planning for the annual minstrel show, to be given at the church next Thursday evening, April 22. Local business men and college students will be in the cast and the training work has been in progress for several weeks.

WILL REORGANIZE STATE DEPARTMENT

Washington, April 16.—Reorganization of the state department, recommended by Former Secretary Lansing, was begun today by Secretary Colby, with the appointment of Wilbur J. Carr, director of the consular service, as assistant to the secretary of state. Mr. Carr has been given charge of personnel, administration, business methods and general management of the department and will make a systematic study of the department with a view to making such changes as may be considered necessary.

FAST AIRSHIP FLIGHT.

Ottawa, Ont., April 16.—An airplane flight from Washington, D. C., to this city by United States army aviators was made today in four hours and two minutes exclusive of a stop at Ithaca, N. Y.

OFFICIAL VOTE FROM SANGAMON COUNTY

Springfield, Ill., April 16.—The official vote of Sangamon county at last Tuesday's presidential preferential primary gives Governor Lowden, 3,774; Major General Leonard Wood, 2,771; Senator Hiram Johnson, 86. The three leaders on the Democratic ballots were William G. McAdoo, 69; William Jennings Bryan, 46; and Edward I. Edwards, 40. Women did not vote in this county.

TWO TRAINMEN KILLED

Mobile, Ala., April 16.—Two trainmen were killed, another is missing and several persons were injured in a head-on collision between two Louisville and Nashville passenger trains early today, near Bay Minette, la.

SPECIAL MEETING AT WOODSON

Canvassing teams representing churches will meet in the Presbyterian church this afternoon at 3 o'clock. Members are earnestly requested to be present. In the evening there will be a union meeting in the Presbyterian church, when Rev. J. O. Kirkpatrick, of Jacksonville, will give a stereopticon lecture illustrative of the great Interchurch World Movement. A large audience is expected.

John Hunter of the northeast part of the county came to town yesterday.

TO THE MEN AND WOMEN OF JACKSONVILLE

At the city election next Tuesday the voters of Jacksonville are called upon to approve a further bond issue of \$30,000. After going over the situation carefully and making all reasonable alterations in the plans, we find that this sum will be necessary for the completion of the filtration plant and to put the proposed power plant into operation.

In recommending this bond issue we are taking into account the funds already available from bonds authorized but not yet sold and all money available from current funds. Briefly stated the figures are:

FILTRATION PLANT	
Bonds	\$35,000.00
Balance from water extension bonds	14,973.50
Current Funds available	7,300.00
Total	\$57,273.50
Contract on filtration plant (all possible deductions made)	\$64,650.00
Shortage	\$ 7,376.50
POWER PLANT	
Available from bonds	\$44,000.00
Contract for building (deductions made)	45,812.00
Net Shortage	\$ 1,812.00
Total shortage on filtration and power plants	\$ 9,188.50

Bear in mind that the above figures provide only for the power house building. To make it available the boilers and machinery of the present plant must be removed, boiler added, a stack built and a railway switch extended. Figuring in the closest possible way these things will cost fully \$30,000 so that the \$30,000 which the additional bond issue will provide will positively be needed in addition to some money from the general fund.

No argument need be made as to the desirability or necessity of completing the filtration plant. The public already understands that the proposed power plant will provide better service and greatly reduce the cost of operating both the light and water departments. The city council simply desires to put these facts before the public so that they may understand the situation.

The council believes that the people want these two plants and if they do want them they will so indicate by going to the polls and voting for the bond issue at the election next Tuesday. The desire and duty of the council is to carry out the wishes of the public.

Further, we wish to call the attention of the men and women of Jacksonville to the fact that the use of such current funds as are available for the two plants in addition to the money from bonds, will mean that there must be curtailment of service in various other departments of the city; that some betterments cannot be made which the council hoped would become a fact during the current year.

We mention the necessity which will come for economy in all departments so that the public may thoroughly understand the situation.

WESTMINSTER AID SOCIETY

At the recent meeting of the Ladies Aid Society of Westminster church plans for the new year were formulated and a beginning in the organization of the circles which are to serve was made. The society by unanimous vote gave a \$50 Liberty bond to the Illinois college fund and this subscription was included in the reports at the luncheon Saturday.

LITERBERRY

Mr. and Mrs. John Young and daughter Helen will spend Sunday in Jacksonville, guests at the home of Mr. and Mrs. Doc Litter.

Mrs. George Decker and infant son returned Saturday from Passavant hospital in Jacksonville. Mrs. Clyde Lewis of Prentice is visiting her parents, Mr. and Mrs. A. W. Petefish.

Among those who visited Jacksonville Saturday were Mr. and Mrs. Owen Young, Mr. and Mrs. Owen Crum, Mrs. Charles Roach, Misses Mildred Underbrink, Evaline Hull, Alta and Wilma Crum, Lella Maul, Lulu Henderson, Mr. and Mrs. George Richardson, Neil Sorrells, Ray Maul, Mrs. J. A. Litter, Misses Margaret and Ella Lahey, Lora Petefish, Mrs. Thomas Pierce.

AN EARLY CONTRIBUTOR

Recently, when a member of one of the teams soliciting funds for Illinois college called upon Austin B. Green, the latter recalled the fact that his grandfather, Rev. John M. Green, who came to Jacksonville in 1824, was one of the early contributors toward the institution. Rev. Mr. Green gave toward the building of Beecher hall a head of sheep, at \$2.50 per head.

There is a Difference in the Way the Liberty Rides and Drives

Liberty Touring Car

The difference of the Liberty's riding and driving is not to be wondered at when one learns the steadfast quality of the car, which becomes more and more apparent as the miles roll up.

To this unmistakable worth, and also to the high order of designing displayed even in the very minor details, may be attributed qualities so divergent as the unusual comfort which the Liberty affords, and the uniform reasonableness in the cost of operation and upkeep. The car is one of the moderate weight in proportion to its size, amply powered, with a responsiveness and flexibility that are remarkable.

It is replete with features that have literally commanded the enthusiasm of Liberty owners. The upholstery is of genuine leather in the French pleated type, fitted over unexcelled special cushion springs. Plainly-marked side curtains are carried in a very accessible compartment back of the front seat. The steering wheel is of black walnut, properly corrugated around the inner surface. There are special top holders, horse-hair carpets in each compartment, a rear curtain light of beveled plate glass set in a heavily nickel-plated rim, and an equipment that is considered exceptionally complete.

Deaths

Ervin.
Howard Henry the infant son of Mr. and Mrs. Louis Ervin passed away at the home of his grandparents, Mr. and Mrs. Henry Thorne, 979 East College avenue at 11:30 o'clock Saturday morning. Besides his parents he is survived by three brothers and one sister, Ralph, Violet, Myrtle and one twin brother, Homer. The deceased was born July 6, 1919.
Funeral services will be held at the home Monday afternoon at two o'clock.

Little.
Relatives in the city received word Saturday of the death of little Weir Little, aged 6 years, at the home of his father, Ira Little, in Quincy. Never a robust child, he had received every attention from devoted parents and in the last year seemed to grow stronger when rather suddenly he was stricken and died Saturday morning. His mother who was Clara Miley of this city, died a year ago last September and was buried in Bluffs where she was born, and where her son will be laid beside her. Surviving are the father, one sister, Alta, grandparents, Mr. and Mrs. Miley of Newton, Mr. and Mrs. Douglas Little of Quincy, and one aunt, Mrs. Lena Ramsey of Newton, and three uncles, Charles Little, Fred and Willard Miley of Jacksonville.

Some of the relatives here will go to Bluffs Tuesday morning where the funeral and burial will be.

Postlewait.
Charles Treadway Postlewait, five year old son of Harlen and Dora Postlewait of Arenzville, died Saturday morning at five o'clock at Our Savior's Hospital. The child had been sick but two days and his illness was not considered serious until Friday evening when he was taken to Our Savior's hospital.

The body was removed to the undertaking establishment of Williamson and Cody and prepared for burial. The body was shipped on the three o'clock train to Arenzville. Arrangements for the funeral will be made later.

DeFrates.
Edward DeFrates received word yesterday of the death of his sister-in-law, Mrs. Irvin DeFrates of Peoria. She is survived by her husband and one son.

Attend James R. Rice's closing out sale, Wednesday, 1:30 p. m. See list of offerings on page 8.

Walter Bourn of the region of Shiloh was a caller in town yesterday.

COAT AND SUIT SALE THIS WEEK AT HERMAN'S.

SCHOOL ELECTION IN WINCHESTER

President and Two Board Members Chosen Saturday—Women Form Auxiliary of American Legion—Other News.

Winchester, April 17.—A school board election, was held in Winchester Saturday and resulted in the choice of the following:

President—Mrs. J. C. Grout, 191.
Members—Mrs. George C. Smith, 200; T. D. Smith, 226.

The retiring president, Dr. H. H. Fletcher, received 81 votes and Judge Funk 66 votes. The names of the latter two were written upon the ballot.

Union school closed Friday and the children and patrons of the school enjoyed a basket dinner. The teacher the past year has been Miss Bessie Six, and the year's work on the whole has been very successful.

The women of Winchester met at Legion hall Saturday afternoon and a woman's auxiliary was organized. Another meeting is to be held next Saturday, when officers will be chosen.

Kelly's barber shop is being very much improved in appearance, a number of betterments being made.

East Hickory school closed a very successful term Friday and the children had an indoor picnic. The event was most enjoyable for both the pupils and the teacher, Mrs. Walter Henry.

College Y. W. C. A. Gives Box Social.

The Y. W. C. A. of Illinois college gave a box social last evening in the college gymnasium. The guests arrived about 7:30 o'clock and danced until 9:00 o'clock at which time the boxes were auctioned off by John Martin, Felix Farrell and Franklin Scott. Following the supper the people again took to the floor and danced until about 11 o'clock.

The sale of the boxes amounted to some forty dollars which will be used by the Y. W. C. A. to send delegates to the conference at Geneva in June.

Music for the dance was furnished by a student orchestra composed of Ellen McCurley, Alice Bray, Laverna Rice, Frank Caldwell, Edward Tomlinson, Felix Farrell, James Barnes and Scott.

HEIRLOOMS WILL BE SEEN IN "CRANFORD"

Much interest will attach to the costumes to be worn by the Vojasovi Camp Fire Girls in the play, "Cranford," to be given by them Tuesday night at the State School for the Deaf. These heirlooms because of their age and early associations will add much to the interest of the occasion.

Gowns, lace shawls, kerchiefs, brooches, all creations of 50 to 75 years ago, will add to the quaintness of this delightful old time play. Members of the Camp Fire are indebted for the use of these keepsakes to the following:

Mrs. F. H. Rowe—Two dresses from the wardrobe of her grandmother, Mrs. Millicent Yates.

Mrs. Carlton Taylor—Dress over 100 years old which originally came from Scotland; bonnet worn in 1840; another 75 years old, together with a tile hat, collar and stock over 100 years old.

Mrs. Thomas Worthington—Green coat owned by her grandmother, Mrs. Tucker.

Mrs. G. L. Merrill—Two dresses, one worn by her mother 50 years ago; another worn by Miss Fannie Hook at the wedding of Mr. and Mrs. John A. Ayers.

Mrs. J. I. Barrows—Gray bonnet owned by her mother 75 years ago.

Mrs. John S. Hackett—Gray silk dress worn in the early '60s.

Mrs. C. M. Daniels—Wedding bonnet 50 years old; two dresses 75 years old.

Mrs. L. S. Doane—Two bonnets over 100 years old.

Mrs. J. C. Fairbank—Bonnets, caps and other garments of the period of 100 years ago.

Mrs. W. T. Capps—Silk dresses of the early '60s, a part of the wardrobe of her mother, Mrs. Henry Stryker.

Mrs. T. M. Tomlinson—Calash

Social Events

Chapin Lodge Entertains For Mrs. Ruth Funk Callaway.

The Rebekah Lodge of Chapin gave a miscellaneous shower Wednesday night, April 14 at the lodge rooms for Mrs. Ruth Funk Callaway, who was recently married.

Mrs. Callaway has been an active worker and secretary of lodge for a number of years, and her going has left a place difficult to fill. Her kindly disposition has won for her the love and respect of a host of friends.

This was shown by the many beautiful presents presented to her by Mrs. W. S. Brownlow in a few well chosen words.

Delicious refreshments were served and at a late hour all departed wishing Mrs. Callaway much joy and happiness in her new home, near White Hall, Ill.

The annual meeting of the Woman's Auxiliary of Trinity church will be held on Monday at 3 o'clock in the Guild Hall. Mrs. J. Parker Dean will give a paper on Woman's Work in America. Mrs. Paul Thompson will read. Mrs. H. M. Andre and Mrs. W. H. Capps will be hostesses. Every woman of the Parish is asked to be present.

College Y. W. C. A. Gives Box Social.

The Y. W. C. A. of Illinois college gave a box social last evening in the college gymnasium.

The guests arrived about 7:30 o'clock and danced until 9:00 o'clock at which time the boxes were auctioned off by John Martin, Felix Farrell and Franklin Scott. Following the supper the people again took to the floor and danced until about 11 o'clock.

News Of Interest To Farmers

Timely Topics

1. Keep the farm orchard sprayed. Even if the cold weather killed half the crop, the remainder will be doubly valuable.
2. Three fence posts that won't wear out—treated wood, steel, concrete.
3. It costs no more to raise a 1,200-lb. steer than a 600-lb. scrub.
4. Pure bred stock pays. Which way is your stock going, up or down?
5. The tractor does not add fertility to the soil.
6. Kill the weeds while they are small. They die easy then.
7. Soy beans are the life savers of the land. Planting them in corn, and alone, and when clover fails, enables you to have a legume every year on every acre of your farm.
8. Why buy a high-priced legume inoculations, when you can get them from a field near home?
9. Poor crops are no longer justified on \$400 land. Plow deep—plant good seed—till thoroughly—harvest well.
10. Cold Snap at Easter Injured Fruit Buds

A temperature of 10 degrees Fahrenheit in Western Illinois on April 5 caught many fruit buds unprepared. This was especially noticeable in the apple orchards of Adams, Pike, Calhoun and Greene counties, where the destruction amounted to probably three-fourths of the prospective crop. Since the indications had pointed to a very uniformly heavy apple crop in that section of the state, it is quite likely that a fair yield may yet be had.

Seed Protecto

Experiments with seed protecto under greenhouse conditions show that seeds treated according to the directions put out with this material germinate somewhat slower than the same kind of seeds untreated. The retardation in early growth is partially overcome later, but at the end of forty days the plants from untreated seeds are a little over two centimeters taller than those from treated ones. Further tests are planned this spring to try out seed protecto under field conditions. Trials have revealed the fact that mice will feed upon wheat treated with seed protecto, even when untreated seed is just as conveniently located.

Horse Power Holds Its Own

Horses and mules are still the chief source of motive power in agriculture and draying. They have been run out of existence a good many times in the world's history. Nevertheless, the United States census for 1910 revealed 19,83,000 horses and 4,210,000 mules on farms; and the estimates of the Department of Agriculture for January 1, 1920, show 21,109,000 horses and 4,995,000 mules on farms—an increase of 1,276,000 horses and 785,000 mules in the last decade. In addition to this, we exported in the nine years' period ending June 30, 1919, 1,149,763 horses and 376,836 mules.

A national survey of the economic status of the horseless tractor was made in 1919. The survey reported 299,000 tractors and 14,444 motor tracks on farms. The tractors displaced from 1.4-5 to 2.1-2 horses per farm where the tractors were owned. In no case did they displace enough horses to pay for the cost of the tractor; but on some of the larger farms, where there was much belt work to be done, the proved valuable for that class of service, and as a supplemental source of power in the fall when heavy plowing was to be done. The survey further points out that as horses must be kept to do the many phases of farm work which cannot be satisfactorily or economically done by a tractor, they are available to meet the farm needs, for transportation of agricultural products.

Good draft horses and mules are returning to public esteem in cities. Men have found they furnish motive power that is reliable, regardless of wind and weather. During the blizzard in the east this winter, horse and mule teams furnished the only motive power that could get thru the drifts. Of this situation, a prominent business man in the East writes: "Business in New York city was almost paralyzed for two or three weeks. Millions of dollars were lost, almost wholly due to the fact that it was impossible to secure enough teams to cart the snow. Enough money was lost in New York city about this year to pay for and keep all the horses the city would need for years to come. In our own city, if it had not been for the coal wagons drawn by horses thousands of people would have been absolutely frozen to death. Besides being reliable, horses and mules are long lived and low in cost of maintenance. Leading cartage and teaming companies report that draft animals of good type, sound and mature when put into heavy city work, will last eight years and then sell for one-fifth the original cost, for use in lighter work, where they often continue to give good service for several years.

The rise in prices for good draft horses and mules, in spite of the existence of more than twenty-one million horses and almost five million mules on farms indicates how agricultural and transportation needs are growing. Good authorities predict a gradual rise in prices of horses and mules for the next three years.

Further we can give you the soil requirements of those types as recommended by the subject matter men at the College of Agriculture and a committee of farm advisers. This recommendation includes not only soil requirements, but recommends certain crops for certain types of soils. Call at the office some day, and let us explain this system to you.

Poultry

If you are having trouble with your poultry we recommend that you send a postal card to the U. S. Department of Agriculture, Division of Publications, Washington, D. C., and ask for the following Farmers Bulletins:

- 287 Poultry Management.
- 585 Natural and Artificial Incubation of Hen's Eggs.
- 624 Turkey Raising.
- 801 Mites and Lice on Poultry.
- 957 Important Poultry Diseases.

Pig Club? Calf Club, or Both

Are you interested in having your boy or girl enrolled in a pig or calf club or both? We think the time is here for us to do something along these lines. The Farm Bureau and the Breeders Association will get squarely behind this work and we do not think for one moment but that the work can be made both interesting and profitable to the boys and girls of our county. As a general thing we went to work of this sort in the way of some other county has. That procedure is not necessary if we can locate the boys and girls who are willing to take hold, we can put the thing over, even to financing the affair for girls and boys who do not have the ready cash to invest. Several of the banks have volunteered their support, and we believe every bank in the county will back the project for the children of its customers or prospective customers when the time comes. Just send us the name, age and address of any boy or girl interested.

Report for March

The month of March was the busiest month we have had. We had planned the following program for the month, community organization, income tax returns, legume campaign, seed oats campaign, farm accounts work, placing of farm help, swine disease control, inspection of wheat fields, purebred sales, and pruning and spraying demonstrations. As usual we did not get everything done we had planned.

We did nothing in the line of community organization, but we did give demonstrations at Markham, Murrayville, Arnold, and south of Franklin. We made out our share of income tax returns. In addition we have ordered bushels of red clover, 198; sweet clover, 11; alsike, 16 1-3; timothy, 9; timothy and alsike, 3; alfalfa, 6 2-3; soybeans, 170 1-4; Iowa, 103, 2220; Blue grass, 10. We mailed out 1150 oat smut circulars, distributed quite a number of farm account books, referred over 100 farm hands to farm jobs, held several post-mortem examinations to determine the cause of pigs dying, inspected numerous wheat fields for damage done by Hessian fly, and held four pruning and spraying demonstrations.

Program for April

1. Community Meetings.
2. Inspection of Wheat Fields.
3. Corn and Soybeans campaign.
4. Limestone.
5. Phosphate.
6. Swine Disease.

Feed Buttermilk

DR. B. J. LUDWIG'S BUTTERMILK TONE

Reduces cost of feed. Makes little pigs grow in bone and flesh. Will make your hogs healthy and keep them from worms and constipation. Makes them ready sellers.

Keeps nursing sows from being run down, helps to replace nourishment supplied to her pigs.

Feed Buttermilk-Tone to Your Hogs and Reduce the Cost of Feed

Buttermilk-Tone is a concentrated buttermilk, and is reduced to one gallon to 50 gallons of water for Buttermilk feeding, costing 1 1/2 cents a gallon. It aids digestion and food assimilation.

Men's style notes for Spring

THE general trend in men's suits for Spring and summer is towards greater simplicity. Actually the styles are but very little different from those for Autumn and Winter.

You may wear either single or double breasted. Lapels are, generally speaking, broad. The waist-line is still "upish" and models in both one and two buttoning are smart. The shoulders are natural and soft. The sleeves are straighter, less belled at the cuff, and the trousers straight and straight hanging. The vest is no longer worn with the button at the bottom undone.

YOU will find a wonderful selection of fabrics—wider in both colorings and patterns than previous seasons. Be sure and visit our displays. Of course all Kuppenheimer clothes are pure wool, all wool, pre-shrunk and sewn with silk.

IN furnishings, while there is practically as much color in shirtings, cravats and hosiery, the trend for the coming season is for narrower patternings—the thirst for "jazz" creations is abating. More attention is being devoted to harmony and good taste than to "surprise" effects. It is quite possible that many men will wear colored, separate collars to match their shirts. Collars, both soft and stiff, cover a wide range of smart styles.

HATS—The tendency of the styles is inclined to narrower and closer rolled brims. Caps will be worn more than ever for their proper occasions. The cloth hat is gaining attention of men for general wear. It stands hard usage and useful for all sorts of utility wear.

Come to this store and see the new things—the things that are exactly right—the fashions which are to be worn by men the world over this season. Here you find only style that is sensible, in good taste, "He-man American styles. Advance window displays.

WAVERLY MUSICAL CLUB TO MEET

Mrs. Paul Allyn to Entertain Members of Amateur Musical Club Tuesday—Other Interesting Notes from Waverly.

Waverly, April 17. — The amateur musical club will meet at the home of Mrs. Paul Allyn Tuesday afternoon. The following is the program:

Paper: The Works of Arthur Fooks and G. W. Chadwick—Mrs. F. A. Wyle.

Songs: Lilac Time, Tranquility; Irish Folk Songs, Arthur Fooks—Mrs. E. W. Crum.

Piano: A May Time, Flying Cloud, Arthur Fooks—Miss Mildred Dennis.

Songs: The Maiden and the Butterfly, The Honeyuckle; Thous Art to Me, G. W. Chadwick—Mrs. Lyle Dennis.

Violin, Selected—Mrs. Alfred Hughes.

Mrs. James Stice returned to her home in Altamont after a visit with her parents, Mr. and Mrs. Frank Keplinger.

Mr. and Mrs. V. G. Keplinger, Mr. and Mrs. Robert Etter and Mr. and Mrs. W. R. Turnbull left Friday on a land prospecting trip to southern Texas.

Mrs. G. E. Garrett went to Kansas City to attend the annual missionary council of the M. E. church south.

Mrs. Glenn Buckler of Casey is a guest of Mrs. N. J. Hughes. Mrs. Buckler was formerly Miss Ruth Maddox who used to visit here.

Mrs. Langley has returned from a visit of several days at Raymond.

Mrs. W. A. Palmer of New York is visiting at the home of Rev. and Mrs. W. H. Fuller.

A. A. Harney returned from Rock Island where he spent several weeks visiting his daughter, Mrs. G. B. Williamson.

Miss Sallie Batty returned from a visit with friends in Decatur.

Special Showing Monday and Tuesday, new street and afternoon dresses, new dinner gowns, new evening and dancing gowns, new washable frocks, displayed for easy inspection. Monday and Tuesday.

F. J. WADDELL & CO.

VISITORS FROM

EDWARDSVILLE

Mr. and Mrs. Edward Lax, of Edwarsville, are in the city, called by the illness of Mrs. Lax's mother, Mrs. Charles McDonald. The invalid is 88 years old and in delicate health. Mr. Lax is local manager of the Bell Telephone system in Edwarsville and says that with a population of 7,000, they have 1,600 telephone subscribers. The place is quite flourishing and energetic, altho so near St. Louis. The Mr. Lax has been away so long, he still finds many friends who well remember him and his father, the long time grain dealer in the building now occupied by Harrigan Brothers.

Now is the time to have your car painted while the roads are bad. First class paint shop at Zahn's Garage.

Thomas Ryan, resident in Murrayville, was called to the city yesterday.

MAVERICKS

With summer coming, the high price of clothing is not worrying us.

A little thing like setting aside her divorce will not worry Mary Pickford. Perhaps she will be ready to get one from Doug by the time the courts decide on this one.

The League of Nations does not seem to be functioning very effectively, if one is to judge by conditions existing in most European countries.

"Babe" Ruth, who is expected to give Ty Cobb a race for batting honors this year, struck out three times in a game Thursday. Ty, who some people say is slipping, picked off two safeties in the first game of the season. He also stole a base, which is pretty good for a decrepit old man.

If the school boys who are buying overalls will put them on and help father make the garden and rake the yard, they may get some good out of them.

If the constitutional convention moves at its present rate of speed, it should have the new constitution ready to present by the next centennial celebration.

Too Bad He Failed

A man in California attempted to commit suicide and failed. He had seventeen wives.

The National Republican says that Bainbridge Colby, new Secretary of State, rattles around in the seat of Jefferson, Seward and Hay like a dried pea in the Grand Canyon of Colorado. There are a few more members of the Wilson cabinet of whom this is also true.

President Wilson called a meeting of his cabinet a few days ago. The dispatches said it was the first meeting of the cabinet since his illness. It is probable the president had to be introduced to most of the members, as he has fired so many since the last meeting.

With sugar likely to retail at 30 cents a pound or higher, there is a gloomy outlook for any home canning this year.

Perhaps the government will begin to send out bulletins soon on how to live without sugar.

Wouldn't it be awful if on top of the other strikes the farmers of the country would decide to quit work.

Don't forget to vote for the bond issue Tuesday. G. W. D.

A BACKWARD SEASON COMPELS US TO CUT PRICES IN LADIES AND MISSES COATS, SUITS AND TRIMMED DRESS HATS. TAKE ADVANTAGE OF THIS OPPORTUNITY, AT HERMAN'S.

LOWDEN PROCLAIMS "SHIP BY TRUCK" WEEK

Urges Thought on Development of Highways for Economical Transportation.

Springfield, Ill., April 17.—(Special)—Calling upon those people of Illinois who are interested in transportation to give especial attention to the importance of the highways as part of the country's transportation system, Frank O. Lowden, Governor of Illinois, and Presidential aspirant, has by proclamation named the week of May 17 to 22 for observance as "Ship By Truck" week. The proclamation follows:

"I take pleasure in calling the attention of the people of Illinois to the action taken by the executives of many of the other states of the Union in naming the week of May 17 to 22 as a 'Ship by Truck' week.

"The transportation system of the country will not be complete until our highways are improved so as to permit the use of both passenger cars and trucks throughout the entire year. The state of Illinois is making a most determined effort in the face of great odds brought by existing conditions to complete, at the earliest possible moment, such a system of highways reaching every section of the state.

"In harmony with the action of the other states, I am asking all citizens of Illinois interested in transportation to give especial thought and attention during that week, not only to transportation by way of motor truck, but also to the economical development of such a highway system as will enable us to bring about at an early date the use of this method of delivering the products of our farms and factories."

Now is the time to have your car painted while the roads are bad. First class paint shop at Zahn's Garage.

BUYS HOME ON NORTH CHURCH STREET
Frank Goodall has purchased thru C. Bayha the W. L. Simpson residence property on North Church street. Mr. Goodall is foreman of the Eli Bridge Co. plant and the new home which he and his family will soon occupy is conveniently located in relationship to the plant where he is foreman.

RESIDENCE CHANGES IN LITERBERRY

George Roach, Dot McFarland and W. B. Gunter Change Residences—Other Literberry Happenings.

Literberry, April 17.—George Roach moved his family and goods to his property on Crocus Corner, Thursday.

On Wednesday, Dot McFarland moved his possessions to the Taylor Henderson home in Literberry known as 'The Poplars.'

W. B. Gunter will occupy the house vacated by Mr. McFarland. George Decker went to Jacksonville Thursday to visit his wife and infant son at the Passavant hospital; the little one has been named Arthur.

Great excitement prevailed among the children here on Wednesday, when a strange lady was seen going up and down the railroad, from depot to bridge north of town; she made several trips along the track, but was followed by some of the citizens, and soon a car and some attendants came from the Central Hospital at Jacksonville and took the woman back to her place.

Stephen Henderson, a former resident of Grace Chapel neighborhood, was calling on friends here Tuesday. Mr. Henderson now resides at Nebraska City, Otoe county, Nebraska. He has a wife, a son and a daughter, aged fourteen, twins. Mr. Hen-

derson with his mother, sister and two brothers, were once neighbors to us and, fine ones they were; he is looking well and well pleased with the state in which he lives. For twenty years he has been in the west.

The Literberry M. E. society met on Wednesday afternoon at Sunny Brook Farm with Mrs. Hannah and Mrs. Elsie Rexroat, as hostesses. A goodly number was present and business was transacted and everybody had a pleasant time. Refreshments of the best were served and a good offering taken.

Special Showing Monday and Tuesday, new street and afternoon dresses, new dinner gowns, new evening and dancing gowns, new washable frocks, displayed for easy inspection. Monday and Tuesday.

F. J. WADDELL & CO.

HIS PARENTS COMING

Rev. W. E. Collins, the worthy pastor of the Congregational church, received a wire yesterday stating that his parents had arrived safely from Wales in New York and in due season hoped to see their son and family. The wife and babies they have never seen, and Mr. Collins not for a great many years.

Where the Word "VICTROLA" Came From

The word "Victrola" was made up by combining a portion of the word Victor with a portion of the word "viola."

It was originated and trade-marked for the specific purpose of distinguishing products of the Victor Talking Machine Company.

The word "Victrola" is a trade-mark fully protected by registration in the United States Patent Office. Its use or application to other than Victor products is not only misleading, but it is against the law.

The Cheapest Tractor on the Market

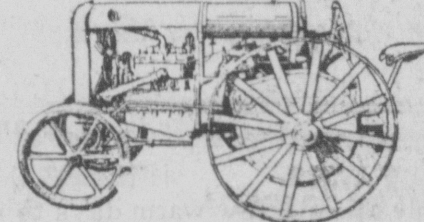

By careful investigation we find the cheapest in price is not the cheapest to own. A one-purpose machine may suit some but it does not fill the want of the farmer by 50 per cent. If you are a real business farmer you will use your pencil and then you will prove to yourself that The To-Ro is the machine you need on your farm.

Efficiency is the Pass Word to Success—We furnish just what we sell and we make good.

TO-RO CULTIVATOR

TO-RO TRACTOR

The To-Ro Convertible Power Cultivator fills the gap—making it possible with this wonderful Two in One machine to do all your work, and dispose of your horses.

We are not offering you a combination or a make-shift; neither are we offering you an experiment. We have not spoiled the Cultivator to make the Tractor—each machine is complete in itself. Note the completeness and beauty of design of each machine.

There is a real factory behind these machines owned and operated by experienced men who know the game. Our engineers are not inventors but practical men who have supplemented their technical education by actual experience in

operating a farm. Our chief engineer, after graduation, operated a farm for 6 years. He knows the needs of the farmer.

The To-Ro is built not only to stand up and give service but with a view to ease of operation. The best of material and workmanship enter into its construction. It is equipped thruout with the bent anti-friction bearings money can buy. All gears are enclosed and run in oil. No chains or open gears to cut out and give trouble.

—The To-Ro Cultivator has been successful in the field.
—First—Because it will do the work it is intended to do.
—Second—By reason of the pivoting drive wheels—enabling the operator to get quick action on the gangs and to guide his machine with ease, in fact, to cultivate better and faster than with horses.
—Third—Because all levers are within easy reach of the operator—simple and effective.
—These are but a few of the many exclusive features of the To-Ro Power Cultivator, as we can tell you but little of this splendid "Two in One" machine in this space. Call in and see us. We will show you.

MRS. E. R. KIRGAN DIES IN WHITE HALL

Death Came to White Hall Resident After Long Illness—T. N. Rose a Hospital Patient—Other News Notes.

White Hall, April 16.—The death of Mrs. E. R. Kirgan occurred at 3:35 p. m. Thursday at the home on Worcester street, following an illness of over a year with lung trouble. Funeral services will be held in the First Baptist church at 2:30 p. m., Saturday, conducted by the pastor, Rev. O. A. Carmean, and the burial will be in the Highstreet cemetery. Her age was 59 years, 4 months and 7 days, and she was born in Woody township, southwest of Carrollton, December 8th, 1869, her maiden name being Lillian Cummings. She and Mr. Kirgan were married when she was fifteen years of age, and practically her entire life has been spent at Carrollton and White Hall. Four children survive, as follows: William Dexter, Mo.; George L. Benjamin and Mrs. Bert Rohrer, all of White Hall. One child, Luther, is dead. The deceased affiliated with the Baptist church when a child.

T. N. Rose, cashier of the People's Bank, who was rushed to a hospital in Jacksonville Thursday, and will undergo an operation today.

Numerous shipments of stock hogs and feeding cattle are awaiting a restoration of railroad service. The splendid condition of pasturage seems to have induced an unusual amount of feeding in this locality, and a number of carload purchases of hogs have been held up by the rail tie up, which will likely clear up by the first of the next week. The Burlington brought in a train of coal last night that insures factories running.

There is a great deal of concern locally as to the outcome of the case of Claude Griffith, principal of the Manchester school, who is in a Jacksonville hospital as the result of an attack by one of his pupils, Raphael Stone. Mr. Griffith is the son of George Griffith, residing east of White Hall, and is held in the very highest esteem. The assailant has been out on \$5,000 bond furnished by Dr. J. S. Billings of White Hall. Griffith is reported improving.

BOXING SHOW AT BEARDSTOWN MONDAY

Main Bout Between Frankie Osmer, of Alton, and Willie Colona, of St. Louis—Three Other Good Bouts on Card.

George Roumas, as manager of the Athletic club, announces Frank Osmer, of Alton, and Willie Colona, of St. Louis, for the main event in the boxing show at Beardstown Monday night.

Both these boys are fast and clever and should put up a great bout. They will go ten rounds.

In addition to this bout, there will be a semi-windup between Nilson, of Centralia, and Hanlon, of St. Joseph, Mo. This bout will be for eight rounds.

Two good preliminaries are carded in addition to the above matches. Manager Roumas says this will be one of the best bills ever offered by the Beardstown Athletic club. The show will be held in the Princess theater.

New work shirts for spring. KNOLES CLOTHING STORE.

A GOOD BEGINNING Mrs. Dan Moy has 32 fluffy little Buff Cochins chicks recently hatched at her home east of the city. They are hen hatched and strong and vigorous.

MRS. KUMLE'S FUNERAL THIS AFTERNOON

Rev. M. L. Pontius Will Have Charge of Service for Well Known Resident of Alexander.

Mrs. E. J. Kumle died at her home in Alexander at 5:30 o'clock Friday afternoon. She had been ill for the past ten weeks and had only recently returned from a Springfield hospital where she had been taking treatment.

Deceased was the daughter of the late William S. Strawn and was born in Alexander, June 2, 1887, and her entire life had been spent in that village and vicinity.

She was united in marriage to E. J. Kumle July 6, 1898. She is survived by her husband and three children, Paul, Wilber and Lillian. She also leaves her mother and one brother, Charles M. Strawn, both of Alexander.

Mrs. Kumle was a member of Central Christian church and also of the Red Cross Society. She was always active in church work and ever ready to aid in sickness and trouble. Her going will cause genuine regret in the community in which her life has been spent.

Funeral services will be held from the residence at 2 o'clock Sunday afternoon in charge of the Rev. Myron L. Pontius. Burial will be in Diamond Grove cemetery.

MAGNIFICENT LINE OF GINGHAM AND VOILE DRESSES ON SALE, REASONABLY PRICED, AT HERMAN'S.

ILL. COLLEGE NOTES

Advanced students of the Expression Department will give their annual recital at Academy Hall Thursday evening, April 29. The program will consist of monologues and a comedietta in one act.

The students are looking forward with pleasure to the readings which Mrs. Perry C. Thompson, director of the Expression Department will give at the chapel hour on Tuesday morning.

Among the subscriptions made to the Endowment Fund was one of \$50 toward an Earl P. Sooy Memorial Fund. Earl Sooy will be remembered as one of the popular Illinois boys who was killed at the front in France.

Dean F. S. Hayden went to Urbana on Friday to represent Illinois College at a conference of the colleges of the state called by the president of the State University.

Dr. Rammekamp recently received a communication from Newton Baker, secretary of war, inquiring whether Illinois College in co-operation with other colleges of the country would establish a soldier's scholarship. These scholarships are to be used by men from the regular army upon recommendation of the war department. The idea is that men who show exceptional ability and promise in the regular army shall be given an opportunity to secure a higher education. The faculty at a recent meeting took favorable action upon the request from the war department and established a scholarship with a cash value of \$200 and with opportunity for earning the balance of the annual expenses.

The College Overseas Club expects to give a dance in the College Gymnasium on May 1st.

The Y. W. C. A. girls gave a box social in the College Gymnasium Saturday evening. The money raised from the sale of the boxes will go towards financing the trip to the Y. W. C. A. conference this summer.

A farewell dinner was given Saturday evening in honor of Miss Helen Candee '22 who expects to go to St. Louis soon to begin her nurse's training course.

The Yojasovi Camp Fire plays "The Burglar" and "Cranford" auditorium at School for Deaf Tuesday 8 p. m. Tickets 50c.

JOINT MEETING WAS HELD SATURDAY

The Jacksonville Woman's Club and the Domestic Science Round Table held a joint meeting yesterday afternoon in the Odd Fellows Temple on East State street.

Mrs. O. P. Buße took the chair while the Woman's club held a business session, following which the meeting was turned over to the Domestic Science Round Table in charge of Mrs. O. E. Tandy.

The program consisted of two papers, one by Miss Jennie Grassley on "Supervised Play and Recreation," and "Public School Health" by Mrs. Viola A. Cohick.

A social hour followed the program during which refreshments consisting of ice cream, cake and coffee were served by the social committee.

Mrs. J. Buckley and Mrs. Ben Lorton conducted a parcel post sale for the benefit of the third section of the Woman's club during the social.

The social committee were Mrs. R. C. Singley, chairman and Mesdames Ernest Strawn, Carl Hembrough, P. G. Stein, Davis, Ernest Severn, George Smith, O. E. Tandy, Miller Weir, A. B. Williamson, Homer Wood, L. B. Turner, Carl York, Clarence York, L. E. Wyatt, E. L. Crouch, E. B. Spink, Mrs. Stebbins, Misses Kate Paradise, Marion Williamson, Irene Smith and Miss Davis.

The Mothers and Friends Association will hold their social at the home of Mrs. Frank Corne on West Walnut street, Tuesday, April 20.

15 per cent reduction sale for 10 days on any trimmed or untrimmed hat in our store.

FLORETH CO.

HEAVY VOTE CAST IN SCHOOL BOARD CONTEST

J. P. Lippincott is Chosen Again as President—Newly Elected Members are Messrs. Hopper, Fiedler and Caldwell.

Jacksonville held one of the most interesting school board elections in the history of the city Saturday. The highest number of votes cast for any one candidate was 1,414, this being the number of ballots on which J. P. Lippincott's name was written for president of the school board.

The vote was several times heavier than that cast when bonds to the amount of \$200,000 were authorized. As a result of the election Mr. Lippincott has been chosen to serve again as president and the three members of the board elected are Thomas V. Hopper, Charles Fiedler and H. L. Caldwell.

Altho Mrs. Mary E. Pierson's name was not on the ballot, she polled a vote of 655. Mrs. Charlotte Gray also an announced candidate, received scattering votes in all four districts.

There was a report current that friends of Dr. A. H. Kenniebrew were urging him for board presidency and would make a campaign in his behalf, but the report was unfounded. Dr. Kenniebrew was only one of a group of five or six citizens receiving scattering votes for the presidency. The result by wards was as follows:

Lippincott—First ward, 162; Second ward, 276; Third ward, 299; Fourth ward, 677. Total 1414.

Caldwell—First ward, 102; Second ward, 346; Third ward, 229; Fourth ward, 595. Total 1322.

Hopper—First ward, 124; Second ward, 363; Third ward, 303; Fourth ward, 621. Total 1411.

Fiedler—First ward, 109; Second ward, 337; Third ward, 293; Fourth ward, 559. Total 1298.

Pierson—First ward, 92; Second ward, 193; Third ward, 241; Fourth ward, 219. Total 655.

CLOSING OUT SALE

April 21, 1:30 p. m., 5 gentle work horses, 1 two-year old mule, 3 sets work harness, 1 set single driving harness, 3 wagons, 1 surry, 1 storm buggy, 1 gang plow nearly new, 1 pulverizer, 2 cultivators, work wagon box, 12-in. walking plow new, some corn, oats and baled straw.

JAMES R. RICE.

IS GRATEFUL FOR RED CROSS SOCKS

Miss Leah Cassell and Mrs. L. F. Sanders of This City Receive Letters of Thanks for Gifts Made Months Ago.

A number of months ago Miss Leah Cassell of this city knitted a pair of socks for the Red Cross and the same was true of Mrs. L. F. Sanders of East Michigan avenue. The socks were evidently received by the same man for each of the Jacksonville residents has received a letter signed by Richard Markuda of Boskovic, Czechoslovak Republic, expressing gratitude for the much needed articles. The letter received by Miss Cassell reads as follows:

March 21, 1920. Charitable Giver: This month I have received a pair of socks from you. Your address found I in the socks. The Bohemian Red Cross society distributed at present a multitude of donations from the American Red Cross society. Here it is a great misery in such things.

I am a working man. I have a wife and a child (Richard is its name.) We have had great pleasure as we received the socks. We are very much obliged to you and render you ardent thanks. How could I ever repay you? I shall do for you what I am able. I will pray for you. Your alms was in secret. And your Father which seeth in secret shall reward you openly." (Matt. 6-4.)

I am with heartfelt thanks, your humble and obedient servant,

Richard Markuda.

Clubs and Societies

The College Hill club will meet Monday afternoon at 3 o'clock with Mrs. R. A. Gates.

The Wednesday class will meet with Mrs. A. B. Applebee at her home, the Applebee farm.

The Fine Point club will meet Friday, Mrs. J. O. Fosseller.

The Household Science Club will meet with Mrs. Frank Byrns Tuesday, April 20th at 2:30 at Peacock Inn.

The Friday Social Club will meet with Mrs. John Clary on West North street Friday afternoon.

The regular meeting of the Woman's Home Missionary Society of Grace church will be held with Mrs. James Kennedy, 1127 W. Lafayette avenue on Tuesday, April 20, at 3 p. m.

The Woman's club of the United Commercial Travelers will meet with Mrs. Gerald Taylor, 852 Grove street, at 3 o'clock.

The Ladies' Aid society of Brooklyn church, will meet at the church Wednesday at 2:30 o'clock for the regular monthly business meeting. The birthday social has been postponed until May 12.

Dr. C. E. Black will speak at a meeting of the Teachers' Association of the School for the Deaf on Friday, April 23, at 8 o'clock, in the school chapel. Dr. Black's subject will be "Some Experiences of a Red Cross Officer in Greece." Stereoscopic slides will be used to illustrate the lecture. The public is cordially invited to attend.

A Year's Abuse In 7 Days

All Light Car Road Records Smashed

At Indianapolis recently an Overland 4 stock car was driven 5,452 miles continuously in seven days and nights, over frozen country roads. This is an average of 778 miles per day—more than the distance between Toledo and New York City. This is another tribute to the cushioning effect of Triplex Springs and the quality of material in Overland 4

NOVEL TRANSPORTATION

Yesterday morning a rather novel method of transportation was observed on the streets of the city. A little boy, seemingly not more than four or five years old, sat in his little wagon, which he guided with one hand, while by his side, trotted a good-sized dog, to whose collar the boy held and was moved along at a good trot. The dog was an Air-dale and seemed to understand the situation perfectly and was well satisfied to draw his little master.

H. H. Challiner was one of the city arrivals from Joy Prairie yesterday.

DOUBLE SEAL

TRADE MARK REGISTERED
SEALS THE WALL

SEALS THE GROOVE
Eliminate Oil Troubles
Give High Compression

Double Seal Piston Rings carry money-back guarantee

Automobile and Tractor Owners, Attention

Double Seal Piston rings will stop your oil troubles and give you a wonderful increase of power which will surprise you. Over two thousand have been sold here in Jacksonville by the various garages and your garageman can tell you about them and supply them for you. These rings have a money-back guarantee that will satisfy you. The construction is so that the top is one piece and the inside is also one piece, preventing carbon from packing and oil gumming, thus maintaining original efficiency. The wall of the cylinder is sealed and the groove is also sealed (thus the name Double Seal) which holds the compression and checks the oil from getting into the combustion chamber. Equal compression enables you to perfectly adjust your caburetor and get a 25 per cent greater mileage from a gallon of gasoline and also 500 miles on a gallon of engine oil.

MANCHESTER EASTERN STAR HELD MEETING

Two Candidates Are Initiated—
Visitors Present from Murray-
ville—George A. Sloan Passes
Away—News Notes.

Manchester, April 17.—At a regular meeting of Manchester Chapter, O. E. S., Friday evening, Mr. and Mrs. John Blakemen and daughter, Miss Esther were received into the order. Murrayville chapter was invited to confer the degrees and twenty members of their chapter were present. The work was beautifully exemplified with much credit to the Murrayville chapter.

A social hour was enjoyed after the close of the chapter and a two course luncheon was served, consisting of sandwiches, baked beans, salad, brick ice cream, cake and coffee.

The members of Murrayville chapter who were present were: Mrs. Ruth Fuller, Mrs. Iva Short, Mrs. Mabel Walker, Mrs. Mary Wright, Mrs. Emma Warcup, Mrs. May Jordan, Mr. and Mrs. E. B. Daniels, Mr. and Mrs. Charles Rousey, Mr. and Mrs. Harry Strang, Mr. and Mrs. Roy Clark, Mrs. Amelia Smith, Mr. and Mrs. Harry Cade, Miss Mildred Wright, Mrs. Mary Simpson, Mrs. Ruth Robinson, Mrs. Lydia White.

Death came to George A. Sloan at his home Friday afternoon. Deceased suffered a paralytic stroke about noon Friday and died a few hours later. He had been in failing health for some time, but his death came as a shock to the family and all in the community. Deceased was fifty five years of age and his entire life was spent in this community. He is survived by his aged mother, Mrs. Mary Sloan, his wife the following children: Lula, Ruby, Glenn, Leon, George and Gregory Sloan. Also two sisters, Mrs. Jennie Kelly of White Hall, and Mrs. Anna Walker of Seattle, Wash., and one brother, T. M. Sloan of Decatur.

Funeral arrangements have not been completed.

Dr. G. M. Lucas made a business trip to Springfield Wednesday.

Mrs. J. C. Andras, Jr., and Miss Golden Rochester entertained a number of friends at the home of Miss Rochester, Tuesday evening. The affair was in honor of Miss Tessie Cochran who is soon to be married to Leo Ryan of Winchester. Miss Cochran received a number of useful gifts. The evening was spent socially and in games, after which delicious refreshments were served. The occasion proved enjoyable for all present.

Mrs. G. D. Barnes is visiting her son, A. T. Barnes and wife, in Jerseyville.

Mrs. S. G. Sykes of White Hall spent Wednesday and Thursday with her parents, Mr. and Mrs. J. R. Blevins.

Miss Mabel Blackburn and Mrs. Amy Livingston spent Saturday in Jacksonville.

One of the easiest ways to make your home more modern and liveable is to banish stoves and heat the whole house with one fire. Ask W. B. Rogers, 205 East Morgan street, either phone, to tell you how a Hero Pipeless Furnace does this.

Try One Brunswick Then Decide

The best way to know for yourself the superiority of the Brunswick Tire is to buy one and compare it.

That is, if the very name of Brunswick isn't sufficient proof to you, as it is to most men, that here is an extraordinary tire.

Thousands of men who have known the name of Brunswick for years, realize that a Brunswick Tire has to be the best—for a mediocre product could never bear this historic name.

Long before the Overland Trail became famous, the House of Brunswick was established. It was one of the chief users of rubber for fifty years before automobiles came into use.

No concern with such a history could afford to offer anything but the best. For reputations are built slowly, but can be quickly destroyed.

This is a practical guarantee that Brunswick Tires offer more than the usual, yet at no added cost.

Get your first one now. You'll not be satisfied until you have ALL Brunswicks.

UNIQUE PARTY IS GIVEN AT BLUFFS

Y. L. A. of M. P. Church Gives
"Kid Party" at Carver Home
—Village Election, April 20—
Other News Notes.

Bluffs, April 16.—The Y. L. A. of the M. P. church gave a "kid party" at the home of Mrs. S. M. Carver Thursday night in honor of Miss Bernice Wolford and Mrs. Croney Mills. Twenty-one were present, each dressed in gala attire with ribbons and ruffles representing girls from 12 to 14 years.

The evening was spent in games interspersed with music, and a few enjoyed the old yet ever new sport of sliding down the bannister, especially when the stately mistress of the home Mrs. S. M. Carver was not in sight.

Chewing gum was also a favored pastime.

After one full evening of mirth and fun the guests of honor were compelled to hunt the 28 Easter eggs which were carefully hidden

in the rooms. An appropriate two-course luncheon was served after which the guests departed for their homes.

The Ladies' Aid of the M. E. church met with Mrs. William Vannier as hostess Thursday afternoon with 21 members present. The time was spent in sewing after which a sumptuous dinner was served in honor of Mrs. Margaret Palmer, Mrs. Eugene Carpenter and Mrs. P. O. Burrus whose birthdays they celebrated on this occasion. The dinner was a complete surprise and needless to say, was enjoyed by those present. Before adjournment, Mrs. G. M. Burrus with a few well chosen words presented each guest of honor with a birthday present as tokens of esteem in appreciation of their friendship and fidelity.

A village election will be held Tuesday, April 20th, for the purpose of electing three members of the board of trustees to serve two years. A village clerk to serve one year and a police magistrate to serve four years. The following candidates have submitted their names to be placed upon the ballot. For trustees E. G. Gray, R. D. Merriss, John O'Brien. Village clerk, Russell Wolford. Police magistrate, —. The president appointed the following judges and clerks to serve at election April 20: Judges H. D. Killpatrick, Clarence Castle, Mrs. John Adkins. Clerks George Burkholter, Mrs. C. P. Taylor and Miss Mabel Green.

ILLINOIS WOMAN'S COLLEGE NOTES

The many friends of the college will remember Miss Geneva Upp who graduated from the college in 1914. Miss Upp is now in Nashauk, Minnesota and is receiving a very good salary. In the letter which has just been received she states that her salary has been increased \$400 for the coming school year. Miss Upp has made good in her work as director of physical education and her many friends will be glad to learn of her success.

The Wesley Mathers contest in expression will be held Monday evening, April 19th, in Music hall. A splendid program will be presented and much interest is being manifested in the outcome of the contest.

Miss Mamie Kennedy will give her graduate recital in Expression Saturday evening, April 17th. Miss Kennedy has shown unusual aptitude along this line of work and has had considerable success in professional work.

President Harker returned Saturday morning from an interesting meeting with the presidents of Illinois colleges. The meeting was held in Champaign and was for the purpose of considering some change in the present college standards.

Plans for the May festival are being carried forward with energy by the director of the physical education department and her assistants. This year it is planned, among other things, to have the grand march. The May Pole dance will be the final feature of the program. All of the different classes will take part and there will be special features by picked groups and individuals.

Some of the students in the department of Home Economics are expecting to take up work as dietitians under the supervision of the department of public welfare of the state. Each state institution has a dietitian who plans the meals for all those whom the institution serves. This work is very interesting and attractive and there are a number of vacancies existing in the state at the present time.

Misses Kepplinger and Alice Tombaugh of Pontiac were guests at the college over the week-end. Miss Kepplinger is a graduate of the class of '18 and Miss Tombaugh was a student at the college for several years. Miss Kepplinger is teaching in a high school near Pontiac and has been very successful in her profession.

The Sophomore class presented "Seven Old Ladies of Lavender Town", an operetta in the Grace church parlors Friday evening to a good sized audience. The girls were trained for the operetta under the direction of Miss Mary Johnston. Special numbers on the program besides the operetta were a vocal solo by Mary Rose Adams, violin solo by Estelle Cover, and a reading by Dorothy Remley. Miss Marie Taylor was the accompanist for the special numbers.

G. M. Trout, the Type-writer and Adding Machine expert will be home a few days only. Call 654.

REPUBLICAN CONVENTION CALL

To the Members of the Republican County Central Committee Notice is hereby given to the Members of the Morgan County Republican Central Committee, that there will be a meeting of said Committee at the hour of 12:30 o'clock noon on Monday, April 26th in the Circuit Court Room of the Court House in Jacksonville, Illinois. At which time the officers for the ensuing term will be elected. A full attendance is required.

Arthur L. French, Chairman.

Fred L. Gregory, Secretary.

PARENT-TEACHERS ASSOCIATION

The regular meeting of the Parent-Teachers Association of the Lafayette school will be held Wednesday April 21st at 3:30 o'clock.

A special program has been arranged by the program committee and a very interesting meeting may be expected.

The following is the program:

Address: "Work of Social Service League in the City."

Vocal Solo—Mrs. James Codington.

Piano Solo—Miss Margaret Capps.

WHAT OTHERS SAY

Grinnell (Iowa) Herald

Scofield is himself an interesting personality, large, athletic, radiating a cheerful optimism, while as a public speaker there is a happy blending of wit and wisdom with oratorical gifts of a high order, already the name of Scofield stands for a clean, strong, optimistic man, resourceful and enthusiastic, an ideal organizer.

It is something different. No matter what your problem, if you want to find a way out, he will show you. —Havana.

His lecture on "Teen Age" should be heard by every parent and teacher—Rockport.

Clean in life, strong in faith, he seeks to honor God. His work is an all round community uplift.—Chapin.

Cheapness in Electrical Work Seldom Brings Satisfaction

There are so many ways that electrical work may be "skimped," by unreliable workmen that for your own protection you should see that your wiring is done by a thoroughly reliable firm. Our policy has not been to see how close we can come to the minimum standard and "get by." We aim rather to give you better work than is absolutely required, thus assuring you of complete satisfaction, for the future as well as today.

Walsh

300 E. State St. Phones 696

You will find some of the most graceful English written in tire advertisements, which is unfortunate when the user finds out the English is better than the tires.

And yet there are cases where the tire is as good as its advertising and sometimes better.

Any tire advertisement will tell you what a tire ought to be.

I carry nothing but standard and well known makes of tires

Kelly-S'p'l'd

Firestone

Goodyear

Federal

Most of them are sold by the enthusiastic recommendation of satisfied users. That kind of advertising can't be bought, and it can't be written.

About Green Seal Batteries

Last week we told you how the batteries came to us and the process that they went thru till the battery was ready for the car.

You know that when you get something that you have to make yourself and watch it closely while doing it you know that you are going to have something that is worth while when you get through.

That is just the way of a Green Seal Battery; we get it absolutely dry, use our new bass wood separators (which by the way are the best separators that money can buy) proceed to build up the battery just like it would be made at the factory.

After it has been made up and assembled it is then ready for the charging table to be given its proper charge, which varies in different types of batteries. It remains on charge for not less than forty-eight hours and not more than fifty-two, then it is given what is called a cadmium test which indicates the voltage in each individual cell, if in perfect condition it is ready for market.

So you see you can't go wrong in buying a Green Seal Prest-O-Lite Battery. We claim to have the best service in the country and if you don't believe it come and see for yourself.

Don't get the mistaken idea that we can't overhaul, charge or repair any other battery but a Prest-O-Lite for we surely can do it to a Queen's Taste.

MEREDOSIA TO VOTE ON SCHOOL PROPOSITION

Community High School Plan to Come Before Voters April 29—Other Items of Interest From Meredosia.

Meredosia, Ill., April 16.—A meeting in the interest of the community high school proposition to be voted on April 29th was held at the Ray Opera House Thursday evening. Considering the inclemency of the weather the attendance was good. The meeting was called to order by C. P. Hedrick, president of the Board of Education. Mrs. Charles Weghoff then sang "Rock a Bye Land."

Prof. Nelson, superintendent of the schools then gave a talk

upon the conditions of the school at present. He brought out many points showing the seriousness of conditions at this time. Miss Lois Schaefer then gave a reading "When the Folks are Gone" which was heartily applauded. Rev. Fred Reed then gave an explanation of the proposed territory for the community high school by use of a map which had been drawn for the purpose which was very interesting. County Supt. Vasconcellos of Jacksonville was present and explained very plainly and detailed the laws regarding the community high school, emphasizing the fact unless we got busy with a community high school of our own the surrounding neighborhood schools which have already voted to have one, could come into our territory compelling us to associate ourselves with them. This question is to be voted on Thursday afternoon, April 29th. Let everyone be a booster and turn out and vote to have a community high school of our own instead of having to join some other one and deprive our children of the opportunity of an education.

Horace Turnham of Berenbeld Weir, New South Wales, arrived here Thursday to visit his mother Mrs. Mollie Turnham. He has been gone for seven years.

Miss Stella Pond left Thursday for her new home at New Canton.

W. G. Burrus of Pittsfield was a visitor here Thursday.

Mr. and Mrs. John Steinberg and son Virgil, Mr. and Mrs. William Enke, Mr. and Mrs. O. H. Kappel and daughter Lena motored to Bluffs Wednesday to visit Rev. P. A. Soerensen and family before their departure to Joliet to reside.

Mrs. Tenna Masterson and Mrs. Ray Harvey have returned from a visit at Rockport where they were guests of Mr. and Mrs. Charles Chrisman.

Mrs. Edward Almond returned Friday to her home in East Alton after spending several weeks here assisting in caring for her mother Mrs. David Brakeville.

Mrs. Gus Brakeville left Thursday to join her husband at Niota.

Miss Verna Smith of Mt. Sterling arrived Wednesday to visit relatives.

Mrs. Mollie Wackerle and grandson Edward Walters left Thursday for a visit with relatives at Bayles.

Arthur Tice, agent for Jacksonville Monument Co., spent Tuesday here.

Mrs. T. W. Burdick and Mrs. Gertrude Stark attended degree work in the Rebekah lodge at Mt. Sterling Thursday night.

Mrs. E. P. Nellinger of St. Louis, arrived Wednesday to visit her sister, Mrs. H. E. Harms and family.

Mrs. W. G. Burrus of Pittsfield spent Tuesday here and was accompanied home in the evening by Mrs. H. L. Lake and daughter Frances.

Henry Keester returned Tuesday from a visit to Beardstown.

F. A. Hillig and daughter Miss Hattie arrived home this week from an extended visit with relatives at St. Louis.

Mrs. R. B. Fields of Macomb has been spending the week here visiting Mrs. Luther Rice and Mrs. Isaac Harbert. She disposed of her residence property here to a man living near Barry, who will locate here.

Frank Korsemeier is again on duty at the Farmers' & Traders' bank after a few days illness.

Mrs. J. L. Tischer is recovering from a few days illness of several throat troubles. Announcements have been received here of the arrival of an eight pound daughter at the home of Mr. and Mrs. James Williams of Creighton, Ala. Mrs. Williams was formerly Miss Mabel Debinder and resided here before going to Alabama.

NOTICE TO OWNERS OF DOGS

The law now provides that the owners of dogs shall pay to the county assessor at the time of the annual assessment \$1 for each male dog and \$3 for each female dog owned. Please be prepared to comply with the law's requirement when the assessor calls.

GRANT GRAFF,
Supervisor of Assessments

ARENZVILLE

Mrs. Mary Houston is spending the week in the country with her niece, Mrs. Gus Schone.

Mrs. Saxon, of Springfield, was calling on friends here Sunday.

Mrs. Niehaus and daughter, Emma, were Jacksonville shoppers Wednesday morning.

Miss Mamie Arenz was shopping in Jacksonville Saturday.

Mrs. Crowder was a Jacksonville visitor Thursday.

Misses Maude Weeks and Hazel McCarty were among the shoppers in Jacksonville Wednesday.

Walter Kolbert and bride returned to their home at Peoria Wednesday noon.

Mrs. Haney and daughters and Miss Minnie Thomas moved to Greenfield this week, where Mr. Haney has a position as agent for the C. B. & Q.

Mrs. Lee McGinnis and children returned to their home at Jacksonville Saturday, after a week's visit with her mother, Mrs. Louisa Arenz.

Will Thomas was a business visitor in Beardstown Wednesday.

Miss Nellie Hal, of Jacksonville, came Wednesday to spend the week with her mother.

John Johnson spent Wednesday afternoon at Jacksonville.

Mrs. Clara Long returned Wednesday from Jacksonville, where she spent the past two weeks.

Mrs. Meyer and daughter, Armeta, returned Wednesday from Jacksonville, where they had spent the day shopping.

PREACHING AT ASBURY

There will be preaching at Asbury church at 3 o'clock Sunday afternoon.

Down Comes Laundry Cost!

When You Have a

Thor
Electric Washing Machine

MADE AND GUARANTEED BY THE
HURLEY

Machine Company

Oldest and largest manufacturers of exclusively Electric Washing Machines in the world. Also makers of THOR Electric Ironers and THOR Electric Vacuum Cleaners. Established 1906.

Down comes laundry cost when you have a Thor Electric Washing Machine. How laundry cost tumbles. Less time, less materials, one-sixth the wear on clothes, and a minimum effort are a few of the benefits of Thor Washing. A big washing can easily be done in an hour with about half the soap you now use. Press a button, pull a lever and the Thor does all the work of washing.

Nearly Half Million Women Use It

They have learned that a Thor saves them money—that while they are paying for it the cost is no more than they would pay to have their washing done by hired help. A small payment down brings the Thor to your home—then, after it is paid for, it is yours forever—to go on washing for you for a lifetime. Every known improvement that goes to make the Thor a

perfect washing machine is offered. All transmission is by gears safely enclosed. No flimsy belts to break or slip. The Atalog absolutely protects the motor against overloading. The revolving, reversing wooden cylinder cannot injure the finest fabrics. The Thor is self cleanable. It is never necessary to lift the cylinder.

\$10

BRINGS YOU A THOR

Just pay \$10 down and we will deliver the Thor. Pay no more for a whole month, then only small monthly payments. Every month the Thor says you more than you pay.

Call or Phone for Information

Don't let another washday go by without seeing the Thor. Come in to our shop or phone and ask to have the Thor delivered at your home.

WAGE INCREASE FOR WHITE HALL WORKMEN

Clay Workers Given Unsolicited Increase in Wages—Baptist Church Services to Close This Week—Other News.

White Hall, April 15.—Notices posted about all the clay-working institutions at White Hall Wednesday afternoon announced an increase of 2½¢ per hour on all hourly work, bringing the minimum hourly wage scale up to 41¢. The notice came wholly unexpected, and the employees were agreeably surprised. Three years ago the minimum scale for hourly work was 20¢, and this latest increase brings the scale up in accordance with the increase in living costs, 100 per cent. The increase affects about 300 employees of the sewer pipe, drain tile, Ruckel pottery and the industrial railway. It is further proof of the efficacy of direct action in handling labor affairs in an industrial center of this size without a labor organization. There has not been a strike during the entire war period, and the plants have been running right along. A short shutdown was experienced during the coal miners' strike, and another shutdown was threatened during the present rail strike, but a supply of coal arrived Wednesday that it is believed will tide over the tieup period on the railroads.

Mr. and Mrs. George North arrived home from California on the crest of the near blizzard of last Monday, when it rained and snowed, and the temperature dropped to 24 degrees. The Lowensteins and McCays arrived earlier from their California sojourn reaching here in time for the great Easter blizzard. They had nice winter weather in California, as we did in Illinois, and it was enjoyable to have their

REAL ESTATE, LOANS AND INSURANCE

company during our worst winter period.

Mrs. Everett Andrews has been called to Granite City by the critical condition of her father, Frank R. Strickland.

A 9½ pound son has arrived at the home of Dispatcher C. C. Lakin in Bloomington. Mr. Lakin is well known here, being born and reared at Berdan and spending much of his time at White Hall prior to his advancement in the railroad service, and he is still further advancing in the social scale.

Rev. Ed James, pastor of the Baptist church at Lamar, Iowa, has been mingling with friends of his childhood, as have been Rev. and Mrs. John W. Patterson of Darlington, Wis.

Grover C. Conlee of Seattle, Wash., has joined his wife here, and they will return to Seattle in a couple of weeks, where he is engaged in the automobile business.

Mrs. A. E. Hudson has been in a Kansas City hospital for some time, and is improving at this writing.

Clarence Goodall has arrived from Coats, Kansas, on a visit.

Mrs. D. N. Henderson has returned from Lewistown, Montana where she has been sojourning with her son, Major E. J. Lane, and is again domiciled in her old home. She was accompanied by Mrs. S. C. Thiele of Chicago, sister of Mrs. Lane, who proceeded to Chicago Sunday. Mrs. Henderson went to Montana to remain with her son, but the call of the blood forced her to return and regain possession of her old home and she is a happy and active old lady in her 82nd year.

Rev. Edgar C. Lucas, pastor of the Christian church, has signed with the Midland lyceum bureau to give lectures for ten weeks beginning in June.

The present week will complete the engagement of Rev. L. C. Bauer at the First Baptist church, and he and his singer will go from here to Des Moines, Iowa, Monday. The singer is Jennings Clark of Ashburn, Ga. He lost an arm in a sawmill when a boy, and took up singing and theology in the Moody institute of Chicago and graduated as a finished vocalist. Rev. Bauer is a resident of White Hall, but is engaged in evangelistic work on so large a scale that this is the first time that he has spent three weeks in an evangelistic effort among his home people, which will conclude next Sunday night. There have been fifteen conversions so far.

Rev. Arthur F. Ewert was called to Chicago on business, and has not been able to attend the sessions of the Alton presbytery at Hillsboro this week.

The hearing on the quo warranto suit to show why the board of education of the White Hall community high school is on earth, is being heard before Judge Jones at Carrollton this week.

MEREDOSIA RESIDENT PASSED AWAY FRIDAY

Mrs. David Brakeville Dies After Lingering Illness—Funeral Services Sunday at M. E. Church

Meredosia, April 16.—Mrs. David Brakeville passed away at her home in Meredith, Friday morning after a lingering illness of more than a year. The maiden name of the deceased was Eunice Baker and she was born in Ohio April 28, 1854. While a child she moved with her parents to the state of Iowa and later to Missouri.

The deceased was married in 1871 to Charles Colburn, and to this union were born two children, Viola Rausch, living at Meredith, and Ida who preceded her mother in death. Mr. Colburn also preceded his wife in death. In 1876 the deceased was again married, this time to David Brakeville, the marriage taking place at Mt. Pleasant, Iowa. They were the parents of four children, namely: Dora Moon, who passed away some years ago; Mrs. Emma Almond of East Alton; Gus Brakeville of Niot and David Brakeville, living at home. The deceased is also survived by her husband and two step-children, Mrs. Julia Stokes of Oklahoma City, Okla., and Charles Brakeville of Niot. Mrs. Brakeville was a member of the Methodist church and was a consistent Christian. She over bore her suffering with fortitude and her life was an inspiration to those about her. Her death means a distinct loss to the community life as well as to the home circle.

Funeral services will be held Sunday afternoon at the Methodist church, in charge of the pastor, Rev. Fred Reed.

OBITUARY

Alice Love Bull, daughter of Fred and Sirena Jane Dugger, was born May 22nd, 1863 near Scottville in Macoupin county and departed this life at her home April 13, 1920 after an illness of several months.

She lived with her parents on the farm where she was born until she was united in marriage to William L. Bull of Franklin, Ill., on December 17, 1890. The greater part of their married life was spent on the farm in Morgan county in what is known as "Hart's Prairie" near the homes of their childhood days. In November 1910 they moved to Scottville where they have since made their home.

She was united with the Baptist church of Hart's Prairie when a girl and has ever been faithful in her worship. She was a member of the Royal Neighbor's of America, being Oracle of that order at the time of her death. She was also a member of the order of the Eastern Star.

Alice was a kind and devoted wife, daughter and sister. In her quiet and unaffected manner, she lived an exemplary Christian life. Her fine character, which she prized above all else was expressed in her fidelity, honesty, charity, her high regard for upright living and her loyalty and faithfulness to her maker.

She leaves to mourn her departure, her husband, mother, six sisters and three brothers, namely: Mrs. Kate Jackson and Mrs. Maggie Griffith of Portland, Oregon; Mrs. Rosella Wiggs of East St. Louis, Ill.; Mrs. Lillie Downs, Mrs. Clara Berryman and Mrs. Lura Bull, all of Scottville, Ill.; James E. Dugger of Salem, Mo.; Edgar and Ralph Dugger of Scottville, Ill., and a host of relatives and friends.

"Rejoice with us that she lived and died, standing on the promise of God."

Funeral services were held at the M. E. church at Scottville Thursday at 1 o'clock, conducted by Rev. W. A. Hostetter. Interment made at Bull cemetery near Scottville. Mrs. C. C. Berryman and Mrs. A. C. Kingley of this city attended the funeral.

The bearers were: Bruce Wheeler, Guy Wheeler, Clyde Goff, Ralph Ogg, Sam Owens, Mervin Hart.

Those who cared for flowers were: Mrs. Stella Kingsley, Mrs. Eva Mattaball, Miss Reba Bull, Mrs. Veda Goff, Miss Lela Hart and Mrs. Zoe Albon.

OBITUARY OF MRS. H. R. JOHNSON

Elizabeth Bell, daughter of Tison and Elizabeth Bell, was born October 4, 1833. She was married to James H. Johnson, 1852. To this union were born nine children, three sons and six daughters. Peter and Addie, who died in early childhood, and Mrs. T. P. Martin, who died at the age of 29 years; Mrs. M. M. Crum, Jacksonville; Mrs. J. C. McFillen, of Litterberry; Mrs. J. F. Berry, Jacksonville; Mrs. Albert Crum, Jacksonville; W. E. Murry, Virginia, Ill., survive the deceased. She also leaves 16 grandchildren and 18 great grandchildren.

She was united in marriage to H. R. Johnson in 1856. He preceded her in death March, 1908. She united with the church in early girlhood and at the time of her death was a member of Grace M. E. church of this city. She departed this life April 7, 1920, at the home of her daughter, Mrs. J. F. Berry, this city.

Dear Mother,
Thou hast anchored thy soul
In the Haven of Rest;
Thou wilt sail the wide seas no more;
The tempest may sweep o'er the wild, stormy deep—
In Jesus you're safe evermore.
You've yielded yourself to his tender embrace,
And Faith, taking hold of his word,
Your fetters fell off and you've anchored your soul
In the Haven of Rest, with your Lord.

M. T. Layman has returned to Jacksonville to reside permanently and has his law office at 302 Ayers National Bank.

How Long Will It Last?

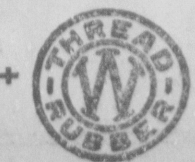

Folks are just beginning to learn that batteries wear out just as surely as tires. And having learned that fact they ask how many months or how many miles the battery is good for. So the dealer must either guess, give instances, or confess he doesn't know.

As a matter of fact there is only one measure of a battery's life. It will serve as long as solution is present, plates hold together, and insulation is intact. The better the insulation, the greater the chance of the battery for a long, useful life. This alone more than justifies the long search which ended in the perfection of Willard Threaded Rubber Insulation. Its effectiveness has been proved by the long average life of the batteries in which it was first installed over four years ago.

Tests That Proved Hudson Also Speak for Essex

*Both Hold Performance Records
That Have Never Been Equalled.*

In all Hudson's unmatched records this important fact is clear: No ability is sacrificed in one direction to gain supremacy in another.

Hudson is the fleetest. Its stock car speed records have never been equalled. On the speedway its racing cars won more points than any other team ever gained.

But its speed means no forfeit of other qualities. For in official tests, the Super-Six has also outperformed all other types, in endurance, hill-climbing and acceleration. In every motor performance it has established leadership by unanswerable proofs.

Hudson Records Prove Its All-Round Mastery

Only a supreme advantage that others cannot use, could account for such all-round dominance. Hudson has it in the Super-Six motor. It minimizes vibration to within 10% of vanishing—nearer the ideal than any type we know.

In the same size motor the exclusive Super-Six principle added 72% to power and 80% to efficiency. Endurance is practically doubled.

How these qualities are valued by motorists is reflected in Hudson's five years of leadership in fine car sales. Today the demand is larger than ever.

Built by the same makers, Hudson's unequalled records also speak for Essex. They foretold performance never expected of a light car. The prophecies now are facts.

And Essex Holds the World's 50-Hour Endurance Record

An Essex stock chassis set the world's 50-hour endurance record of 3037 miles. That is officially certified by the American Automobile Association. And Essex holds the world's mark of 1061 road miles in 24 hours. A stock touring car did that.

Local road, speedway and hill-climbing records in every section of the country are held by Essex. Scores of abusive tests have proved the endurance that 30,000 owners find in the daily service of their Essex cars.

But it is not only in performance that Essex shows the same stamp of quality as Hudson. Its beauty of line, its luxury of appointment are the work of years of leadership in coach design.

See the care and completeness, even in the smallest details. Its riding comfort, its smooth, quiet running ease, with the suggestion of well-contained reserve power, are qualities comparable to the finest of high-priced cars.

Daily Market Report

BUSINESS ON STOCK EXCHANGE LIGHT

(By the Associated Press)
NEW YORK, April 17.—Light dealings and irregular price changes attended today's stock market, the turn over falling to slender dimensions. There were occasional spells of activity in stocks, equipments, motors and oils and also in shippings, rails, food and chemical shares but these represented the tentative operations of professional interests.

The market wavered towards the close, United States Steel showing pressure and General Motors making a precipitate decline of almost ten points. Bonds displayed reactionary tendencies, some of the speculative issues among rails and industrials extending previous losses of the week. Liberty issues and victory notes made further declines but strengthened at the end, the 3½s regaining yesterday's one per cent loss. Total sales (par value) aggregated \$8,300,000.

The clearing house statement reflected the moderate activity of the week in stocks, actual loans and discounts increasing by \$77,412,000 with a substantial increase of net demand deposits and a gain of almost \$12,000 in reserves more than offsetting last week's contraction of that item.

CORN PRICES AVERAGE LOWER

(By Associated Press.)
CHICAGO, April 17.—Corn averaged lower most of the time today as a result of the prospective speedy end of the railway strike. Last of the week adjustment of trades however made values firm at the finish which was unchanged to ½c net higher with May \$1.69½ to \$1.69½ and July \$1.64½ to \$1.64½. Oats closed unchanged to ½c up and provisions varying from 3½c decline to a gain of 2½c.

Bearish significance of improvement of railway traffic conditions was emphasized by estimates that fully 1,500 cars of grain were awaiting services of switchmen in the Chicago district and that further arrivals of cars tomorrow and Monday were expected to augment the total. Besides, sunshine had a bearish effect as implying a let up in delays to spring farm work. Forecasts, however, pointed to renewal of cold damp weather, and it was denied by Chicago insurgent switchmen that a surrender was imminent. Oats hardened at the last in view of predicted rain or snow. For the most part, provisions were weak. Packers sold and aggressive support was lacking.

E. St. Louis Livestock

East St. Louis, Ill., April 17.—Cattle—Receipts 250; no sales; market for week; steers \$1.00 to \$1.50 higher; yearlings \$1.00 to \$2.00 higher.

Cattle—Receipts 700, steady; steers \$11 @ \$14.
Sheep—Receipts none, steady; lambs \$17 @ \$25.

COLLEGE OF MUSIC

A large audience greeted Miss Miller in her recital given last Monday night. Miss Miller has always been well received in Jacksonville and the splendid audience which was present showed the deep appreciation of her work.

Director Pearson has received word that the additional instruments for the orchestra, including kettle-drums, have been shipped and should arrive in the city within a short time. This will give much better opportunity for the orchestral work which the department is conducting.

The Glee club are working for the Japanese operetta, which is to be given in the gymnasium on the 26th. Miss Miller is in charge of this work.

The final number in the Artists Course will give Jacksonville music lovers an opportunity to hear one of the most famous grand opera stars of the United States. Frances Ingram is well known in Jacksonville and there is no doubt that Music hall will be well filled on that evening.

Miss Lazelle is spending the week-end in Springfield where she has quite a number of voice students.

Word has just been received that Miss Lalla Skinner, who was accompanist for the College of Music last year and active in the work of the department, will return to the college to begin her work next September.

NO

CHALMERS Gets Maximum Power from Present Day Gas

OBVIOUSLY, the problem of gasoline is getting more and more serious, and obviously, too, gasoline is going down and down in grade.

Cars are not performing the way they once did.

Fuel experts say there is just as much power in a low grade "gas" as in a high grade "gas."

But the problem is to get out this power.

Hot Spot and Ram's-horn in a Chalmers perform this task.

Hot Spot heats and "breaks up" the heavy, raw particles of gas like water striking a hot stove.

A fine vapor "cloud" is formed, which is the very "food" the cylinders need, and

while the "gas" is in that fine condition Ram's-horn rushes it to the cylinders.

The results are well known to those who drive a Chalmers. This action, "snap," absence of vibration are common to a Chalmers, but it has none of those troubles common to cars whose engines are not designed to accept and "digest" the low grade "gas" of the day.

Those troubles are hard starting, frequent fouling of spark plugs, burned bearings, scored cylinders, abbreviated mileage from "gas." Ride behind the wheel of a Chalmers and you will agree that it is one of the few great cars of the world.

MOON

MODERN MOTOR CARS

With the world to choose from, we are selling Moon cars. We are selling them because we sincerely believe that Moon gives you the best light weight six cylinder motor car produced in this country today; the best that motor building science has been able to produce.

This knowledge is based on what the users of Moon cars themselves have found.

Moon owners—men who have paid their money for Moon cars and bought their knowledge on the roads.

In this car are the best units which enter into motor car construction—Feddors radiator, Timken axles and Bearings, Parish & Bingham Frame, Red Seal Continental Motor, Delco Three-Unit Starting, Lighting and Ignition, Borg & Beck Clutch, Brown-Slits Transmission, Spicer Universals.

These units have been engineered into a chassis upon which has been mounted the most beautiful custom-type bodies ever used in standard production.

Reliability, performance, economy, freedom from trouble, low cost of upkeep and maintenance and good looks, all mark this as the most satisfactory car that money can buy.

What more could anyone want in an automobile? Built by Moon Motor Car Co., St. Louis, U. S. A.

THE CAUSE OF DISEASE

Modern science, which is always studying cause and effect, has demonstrated that disease in adults and improper development and sickness in children are the results of faulty nerve action due to spinal defects. The bones of the spine press on the nerves and interfere with the distribution of energy throughout the body. A correction of these defects restores uninterrupted nerve force and invariably results in the return of health.

CHIROPRACTIC (KI-RO-PRAK-TIC)

is the science that has demonstrated this connection between disease and defective spines. For years, and in the face of bitter criticism and strong opposition, Chiropractors have been adjusting the defects in spines to remove the cause of disease. Wonderful results have been obtained, even in cases that were considered incurable. Everywhere there are people who have been greatly helped by

CHIROPRACTIC THE BETTER WAY TO HEALTH

Those who are not in health, who are not strong and well; who are nervous; fagged out; inefficient; and who feel they need to be recharged with vital energy, will no doubt find relief thru spinal adjustments. You owe it to yourself, your family and friends to investigate Chiropractic.

The CHENEY

a Violinist's Inspiration

The beautiful tones of a violin inspired the invention of a remarkable instrument, reproducing all musical selections with unrivalled purity and richness of tone.

Every principle embodied in The Cheney is musical. Its reproduction eliminates unmusical sounds, and rounds out the full tonal value of all records, enhancing their beauty.

Cheney cabinets are greatly admired for their exact portrayal of the period designs originated by old world furniture craftsmen.

CHENEY TALKING MACHINE COMPANY

The Violin Resonator

The vibrant, stirring quality of violin tones is here imparted to all music reproduced with The Cheney.

The use of time-seasoned violin wood, carved into this familiar form, assures mellowness and resonance.

"THE LONGER YOU PLAY IT, THE SWEETER IT GROWS."
